M'ARTHUR ORDERS IMPERIAL GOVERNMENT TO REMOVE ALL BARS TO FREEDOM OF SPEECH

Revolutionary Magna Carta Decreed by General Dis- banding Brutal, Still-Active "Thought Police" and Release of Political Prisoners

OFFERS NO COMMENT ON NEW RUSSIAN DEMAND

Tokyo, Oct. 4.—(P)—General MacArthur decreed a revolutionary magna carta for Japan today, ordering the imperial government to remove all bars to freedom of speech, religion and assembly, disband the brutal, still-active "thought police" and release their 3,000 political prisoners by October 10.

In a letter to the newly organized Japanese central liaison office, MacArthur told the imperial government bluntly and clearly to abolish all legislation restricting freedom of the people.

The letter also demanded removal from office of Home Minister Iwao Yamazaki and chiefs of the Tokyo and Osaka metropolitan police boards and of the territorial police of Hokkaido.

MacArthur meanwhile offered no comment on Russia's demands for four-power control govern- ment to replace his rule in Japan.

The orders went out amid a rising clamor by Japanese for release of the prisoners arrested by the "thought police" for voicing ideas that weren't in agreement with the pre-surrender govern- ment. The prisoners have been confined for years in fetid jails from the southeastern tip of Japan to the northernmost home island of Hokkaido, sometimes called "Japan's Siberia."

Tokyo newspapers in the past week reported the prison deaths of several of these political prisoners.

Yamazaki, who heads the "thought police," blandly denied any knowledge of the prisoners in an interview with The Associated Press today. He did admit that his men were still on the job, and they were being especially vigilant against the Japanese daring to ad- vocate "elimination of the imperial house, overthrow of the constitution, violence against Americans or the Japanese government."

The minister said his police were "not so harsh" as before the occu- pation, but that their methods of operation were unchanged from war and pre-war days.

Yamazaki explained in the in- terview that the home ministry's recent attempt to confiscate news- papers printing pictures of an in- terview with MacArthur was in- tended to "prevent possible reper- cussion among the people." He acknowledged, however, that when pictures and interview did appear

Patient Fans Await Series Opener

(NEA Telephoto)
Despite the early morning chill, long lines of fans waited at bleacher entrance of Briggs Stadium, Detroit, for the chance to buy tickets to the opening game of the world series. Two blanket-clad boys, above, kill time by playing cards on the sidewalk.

SECOND TILT WITNESSED BY HUGE THROG

Tigers Call Upon Virgil Trucks, Fireballer Just Out of Navy, to Even Score With Cubs

WEATHER IS FAVORABLE

By GAYLE TALBOT
Briggs Stadium, Detroit, Oct. 4.—(P)—Shut out 9 to 0 in yester- day's world series opener, the De- troit Tigers called upon Virgil Trucks, young fireballer just out of the navy, to pitch them back into the running in the second tilt with the Chicago Cubs before an- other throng of 55,000 here today.

On the hill for the victory- flushed Cubs was Hank Wyse, who hurled 22 winners in the National League campaign while losing 10. Trucks made his only appearance on the last day of the American League race, when he held the St. Louis Browns to three hits in five and one-third innings.

Detroit stuck with its opening game line-up, but the Cubs used Paul Gillespie, a lefthanded batter, in place of Mickey Livingston, who made two hits in yesterday's game. The day was sunny and much less cold than yesterday, when players and spectators suf- fered. A stiff breeze was blowing away from the plate.

The rival managers today nomi- nated Left Hander Stubby Over- mire and Right Hander Claude Passeau as the respective Detroit Tiger and Chicago Cub hurlers for tomorrow's third game of the 1945 set.

Overmire, stumpy 26-year-old southpaw, wound up the regular season with a 5.00 average—9 won and 9 lost. Passeau won 17 and struck out 127 batters.

The 4,000 who were in the cen- ter field bleachers by 10 a. m. en- joyed once over lightly from a pale but warm sun while they waited, and there was none of the castanet music from their collective chattering teeth that you could almost hear across the stadium yesterday.

Although they had slumped to 8 to 5 underdogs because of the 9-0 beating they absorbed in the opener, the Tigers were 5 to 6 choices to even it up today.

The line-ups:
Chicago: Hack, 3b; Johnson, 2b; Lowrey, 1f; Cavaretta, 1b; Pafko, cf; Nicholson, rf; Gillespie, c; Hughes, ss; Wyse, p.
Detroit: Webb, ss; Mayo, 2b; Cramer, cf; Greenberg, 1f; Cullenbine, rf; York, 1b; Outlaw, 3b; Richards, c; Trucks, p.

Umpires—Plate, Jorda (NL); first base, Passarella (AL); sec- ond base, Conlan (NL); third base, Summers (AL).

The play by play follows:
First Inning
Cubs—Hack looked at a strike and then beat out a rap to Outlaw at third base. The throw to first was in the dirt, but it was ruled a hit. Johnson sacrificed Hack to second, Rudy York making the play at first unassisted. Lowrey lined a single to Greenberg in left field and the big fellow made a perfect peg to Richards at the plate to nail Hack as he slid in. Low- (Turn to Page Thirteen)

Executive Request For Iron-Clad Control Over Atomic Energy Is Being Considered

Washington, Oct. 4.—(P)—President Truman urged congressional leaders today to give speedy consideration to legislation for controlling atomic energy.

Democratic Leader Barkley (Ky) said the legislative chieftains told Mr. Truman at a White House conference that bills carrying out the president's plan for establishment of a domestic control commis- sion will be given a high priority.

But legislators made it plain at the same time that they want a hand in deciding how much to tell the rest of the world about the atomic bomb.

None disputed Mr. Truman's premise that the American people must "use the knowledge we have won, not for the devastation of humanity."

Some doubt was voiced, how- ever, that his hope of outlawing the bomb as a weapon of war could be attained.

Mr. Truman separated the coun- try's biggest enigma into home and abroad classifications in a message to congress.

He called first for creation of a presidentially-appointed commis- sion to:

1. Control all mineral sources of atomic energy, plants and stockpiles.
2. Conduct all necessary re- search, experiments and opera- tions on further development for "military, industrial, scientific or medical purposes."

3. Issue licenses for private operations based "upon a policy of widespread distribution of peacetime products on equitable terms which will prevent mono- poly."

4. Permit production, import and export of energy producing substances only under conditions it prescribes.

5. Set up rules of censorship for information about materials and equipment under its jurisdic- tion.

Mr. Truman stressed that im- mediate action is necessary to preserve the nation's huge invest- ment in brains and plants—the army of scientists assembled to work out the bomb and the plants in Washington and Tennessee where it was produced.

All of this sounded pretty rea- sonable to most congressmen.

But many found room for argu- ment in the president's outline of his thinking along international lines.

He told his news conference he will have detailed recommenda- tions (Turn to Page Thirteen)

Pierre Laval Ousted From Court Room

Paris, Oct. 4.—(P)—Pierre La- val was expelled from the court- room today during the first hours of the trial for his life and the presiding judge, Paul Mongibeaux, announced that the hearing would continue without the presence of the former chief of the Vichy gov- ernment.

Laval's lawyers had walked out and the judge, jury and prosecu- tor shouted in unison at Laval's assertion at the tumultuous open- ing of his trial for treason that: "I am a patriot and I will prove it."

Though the white tied Laval back hard and bitterly and pre- pared to act as his own attorney after his lawyers quit the court- room, contending they had not had sufficient time to prepare their case or even access to the records.

Scorching words flew back and (Turn to Page Thirteen)

MOUNTING STRIFE ON LABOR ISSUES BRINGS TO NEW HIGH NUMBER OF IDLE DURING YEAR

New and Continuing Disputes Snarl Traffic Along Nation's Broad Industrial Front, Slowing Pace Of Reconversion Program

SHIPPING IN N. Y. HARBOR ALMOST PARALYZED

Washington, Oct. 4.—(P)—President Truman today delayed temporarily the issuance of orders for government seizure of oil properties affected by a 15-state strike of CIO oil workers. Charles G. Ross, press secretary, first announced the orders would be released about noon, but shortly after that hour reported they would not be issued "for at least two hours." Officials of the Petroleum Administration for War, the agency which probably will be designated to carry out the refinery seizure, went to the White House this morning. PAW reported that 51 refineries are affected by the work stoppages. In addition, other plants are being picketed, although employees are not on strike. Operations are curtailed in the picketed refineries.

By The Associated Press
New and continuing disputes snarled traffic along the nation's broad labor front today, slowing the pace of the country's reconver- sion program.

The mounting strife over labor issues—most of them involving wages and hours—brought a new high in the number of idle this year. The more than 160 separate strikes, shutdowns and work stoppages kept more than a half million workers away from their jobs. Fresh stoppages threatened to greatly expand the strike lines.

As President Truman prepared to order seizure of oil refineries in 15 states after the government was unsuccessful in conciliation, labor department officials were confront- ed with serious trouble in eastern coal fields.

Shipping in New York harbor was partially paralyzed by a port- wide strike of 60,000 workers, in- cluding 46,000 AFL Longshore- men.

As the president's seizure order was awaited, the executive board of the CIO Oil Workers Internation- al Union called a meeting to decide whether to ask the 43,000 strikers to go back to work for the government. In northern Indiana, where eight plants of seven com- panies have been closed, a union spokesman said the strike in that area will continue.

The union, demanding a 30 per cent wage increase, was agreeable to Secretary of Labor Shwellenbach's temporary compromise of 15 per cent and naming of an ar- bitrator for final settlement. The offer, however, was not acceptable by 10 of the 11 oil companies and Shwellenbach recommended seizure of the plants.

As the government's initial major attempt at a postwar labor set- tlement ended in failure, the shut- down of refineries brought tight gasoline situations to many com- munities, including Detroit, Bos- ton and many cities in Ohio where an emergency oil committee said a "statewide crisis impends."

The shut-down of soft coal mines jumped to nearly 400 and the idle to about 115,000 in four states as additional thousands of miners joined in the spreading walkout, which stemmed from a strike of supervisory employees. The Solid Fuels Administration has placed 15 per cent and naming of an ar- (Turn to Page Eleven)

Coal for Home Use Placed On Ration Basis

Pittsburgh, Oct. 4.—(P)—Steel- mill blast furnaces began to close and coal for home use went on an emergency ration basis in Pitts- burgh today while a widespread strike kept more than 115,000 soft coal miners from the pits.

The U. S. Steel Corporation an- nounced the equivalent of 2½ blast furnaces cut off production and that ten more would be af- fected by Sunday night by the fuel shortage.

Miners from twenty-two more Pennsylvania pits joined the walk- out in sympathy with mine bosses demand for union recognition.

The number of idle miners in Pennsylvania was given by the Solid Fuels Administration at 52- 027. The others were striking in adjoining states.

Here and there the pinch began to be felt.

At Chicago, Inland Steel Co. announced it would start banking blast furnaces today and would close seven by Sunday night, re- ducing steel production to 50 per cent of capacity. If the strike continues another week, its other (Turn to Page Eleven)

70,000 Estimated To Be Off Jobs In the Keystone State

Despite the ending of one strike which returned 750 workers to their jobs, the number of idle in Pennsylvania rose 3,000 to a total of 70,000 in the last 24 hours.

A new contract was signed to end the one strike at the Richmond Radiator Company plants at Uniontown. Workers there had struck April 28 and the three mills had been completely closed since August 1. The company announced it will increase its number of workers to 1,200 when its reconversion plan is com- pleted.

Two locals of the CIO-Internation- al Oil Workers voted to strike in support of the union's demand for a 30 per cent wage increase.

One group, representing em- ployees of the Pennzoll Co. plants at Rouseville and Oil City and of the James B. Berry Sons, Inc., plant at Oil City voted 280 to 19 for a strike which union officials said will be called unless a settle- ment is reached before 7 a. m. tomorrow.

Unionists at the Quaker State Oil Refineries Co., a Uniontown also voted to strike, a union spokesman stated.

The coal strike, which has made 48,482 Pennsylvania miners idle, was beginning to affect domestic users. Dealers announced there was less than 1,000 tons of coal in Pittsburgh yards and that here- after it would be rationed. A doc- tor's certificate, proving illness in a home, would be necessary be- fore coal could be bought in Penn- sylvania.

A strike of 450 produce workers at Pittsburgh continued as nego- (Turn to Page Thirteen)

Woman Is Called In Murder Trial

Tunkhannock, Oct. 4.—(P)—The prosecution in a surprise move called Mrs. Charles Randall to the witness stand at the murder trial of 31-year-old Kenneth Ferrell in the slaying of her husband.

Mrs. Randall, who is to go on trial later on a murder charge in the death, refused to answer a series of questions asked by Dis- trict Attorney Robert W. Trem- bath.

The woman's attorney, Thomas Lewis, said "she didn't know she was going to be called this morn- ing," but Mrs. Randall was com- pletely at ease in her trim black dress with white collar and cuffs.

Judge Edward B. Farr told her she could refuse to answer ques- tions if she felt she might incrim- inate herself.

Randall's bullet-riddled body was found in a wooded region Memorial Day.

Asked if Ferrell came to her home Memorial Day morning, Mrs. Randall declined to answer.

Trembath asked that if some time prior to May 30 she had been intimate with Ferrell.

"I don't wish to answer," re- plied the auburn-haired woman.

Burgess Revives Zoning Body In Special Message to Council

Burgess Raymond Steber last evening presented to Town Council a special message to the formation of a live zoning commission in this city. He called attention to the fact that such a Commission was in existence, but that during the war it has been allowed to become lax and nothing was accomplished. He pointed out that such a Commission would keep property values at a high level and encourage building, and predicted that within a few months Warren would have a revival of store and home building, the greatest in years.

In his message to Council Burgess Steber said:
Warren Borough Council
Warren, Pennsylvania
Gentlemen:

Now that the war has come to a successful conclusion and we can hope to return to a normal economy, I want to invite your attention to a matter which is, I think of paramount importance to the future of Warren and one in which I want to be on record. I refer to zoning laws.

Some years ago the president of Council appointed a Zoning Commission. Several meetings were held but nothing concrete was accomplished. During the war it was almost impossible to engage the highly specialized talent necessary to carry forward the project. Early this year President Waite appointed a new commission but, so far as I know, nothing has been done.

Warren, like most other cities, has in prospect the building of many new homes and places of business. And it is before we find ourselves in the midst of this that plans should be made. There are some sections of the borough where real estate values might be very seriously hurt by uncontrolled building. It is obvious that the home owners, who have built up the values and pay tax on substantial assessments, should not have those values destroyed, or seriously depreciated. They are entitled to some measure of protection on the values they have created.

There is, too, the selfish interest of the borough itself. Borough government and borough services are supported by taxes. The measure of the amount of these taxes and hence of the services possible to the citizens of Warren is the value of property. If these values are allowed to decline, either there must be less expended or the burden must be put upon other taxpayers.

Another aspect of this matter,

Warren has always been noted as an unusually attractive small city. In this all of us, I think, have taken a good deal of justifiable pride. But if building may run rampant, if unsuitable buildings may be erected wherever the personal advantage of the builder may dictate, that pride of ours will no longer be justified. Real estate values throughout the borough will suffer.

I would like to suggest, or rather to ask just as forcefully as I can, that the Council now give serious consideration to the matter of setting up an active Zoning Commission, to give the Commission the funds necessary for their work and then, when their report is made, to see to it that proper and sensible zoning laws are passed.

This is no small undertaking. Perhaps it should not be done until the new Council organizes at the first of the year. But I am bringing it to your attention now so that the councilmen who hold over in office and those who are re-elected can have it in mind as first order of business. In my mind, this is one of the most consequential matters to face you. Well done, it will result in permanent benefit to the beauty and the financial condition of Warren. Neglected, it can easily have an adverse effect upon property values and hence upon the quality of borough government you will be able to render.

Very truly yours,
R.W. Steber,
Chief Burgess.

SCHOOL AT KANE

Former Fire Chief D. G. Kropf is conducting a fire school at Kane for members of the Kane fire department. Another session was held last evening. There is a large enrollment and some valuable information is being given the Kane smoke eaters.

OUT OF HOSPITAL

Friends of Virgil (Slip) King will be glad to know that he has served his time in the Warren General Hospital and is out again. While not as yet at his old at the airport he is recuperating in fine shape and will soon be tiptoeing among the clouds.

CAR IS STOLEN

Pennsylvania State Police here have been asked by Frank Ellis, sheriff of Forest county, to be on the lookout for a 1937 Ford sedan, maroon in color and bearing Pennsylvania license plate 9557-Y, stolen in Tionesta shortly after 11:30 p. m. Wednesday and believed headed up river.

HANDSOME OFFICE

Installation of a new office at the R. W. Norris Company store is almost complete. It will be one of the finest offices in the city when complete with glass partitions, fluorescent lighting, an attractive mantle and a complement of fine furniture and furnishings. It will be occupied soon.

HAS NEW ENGINE

E. M. Satterlee, of Meadville spent some time in the city last week demonstrating a new automobile and airplane engine. It has no cooling system and burns a low grade gas without generating heat. Mr. Satterlee is enthusiastic over his engine and is endeavoring to interest some Warren capital in his invention which has won much favor among government officials.

HAVING FINE TRIP

Letters received by friends of Mr. and Mrs. Forest Waite report that the couple is enjoying an excellent trip. The letters were written from Gulfport, Miss., and stated that 1600 miles had been covered with an average of 175 miles per day. Weather had been fair and the trailer used is becoming more and more like home every day. Regards were sent to all Warren friends.

Council Planning New Fire Stations In the Near Future

Chairman Miller, of the City Building committee of the town council set things in motion last evening which will ultimately result in two new fire stations in Warren. Mr. Miller commented on the fact that the Central Fire Station is dilapidated, plaster is loose and ceilings so high that heating is a problem. The station of Engine Company No. 2 was also commented upon as being poorly arranged for the purpose, and councilmen were asked to visit both stations and investigate before the next Council meeting.

Mr. Miller in his statement to Council said that an offer of \$5500 had been made by a responsible party for the old Central Fire Station and that in his opinion it should be sold. This was echoed by others of the councilmen who were familiar with the situation.

Chairman W. T. Corbett Is Give Achievement Award

Chairman Wylie T. Corbett, of the Warren County Salvage Committee, who for all of about six weeks, served during the World

War II, has received a Certificate of Achievement from the State Salvage chairman, Colley S. Baker. This is the third award which Mr. Corbett has received, one of them coming from Washington, D. C. These awards are merited as no other salvage chairman in the entire state has achieved the results that Mr. Corbett has secured in winning the cooperation of all residents of the county.

The award is in the shape of a parchment suitably inscribed and signed by the state heads that wrought so well during the war. In a letter accompanying the certificate Mr. Baker said:

Dear Mr. Corbett: In recognition of outstanding services rendered by you in behalf of the volunteer war salvage program in Pennsylvania, it gives me a great deal of pleasure to present to you the enclosed Certificate of Achievement.

It has given me a great deal of pleasure to have worked with you in this long and strenuous campaign which contributed so much to our nation's victory over our enemies.

In the first six months of 1945, the United States shipped \$275,000,000 worth of food and other agricultural products to the United Kingdom.

Violation Of Court Order Alleged Here

Deputy Sheriff Sanford Secor and State Patrolman Les Fobes yesterday placed Mrs. Esther D. Morley and Robert W. Morley, Jr. at Sugar Grove RD under arrest at the request of New York state authorities. The charge made by the New York information was kidnapping. The pair were brought to Warren and later sent to Jamestown.

It is alleged that Mrs. Morley is the mother of a girl child Lucille Pratt, 8 or 9 years of age and that the girl was under the jurisdiction of New York state courts. Mrs. Morley went to Jamestown, picked the girl up on the street and brought her to Pennsylvania. In this state it is merely a violation of a court order.

Deputy Secor this week also located Julia Mae Jensen, of Lottsville at the home of her grandmother at Brookston and reported the fact to the girls mother as he had no authority to pick up the girl who had been missing from her home for some days. The girl's mother brought the girl to Warren and she is being held in the detention room for further action.

AT THE HOSPITAL

Mrs. Anna Klenck, Clarendon.
Richard Drayer, 04 Water street.
Mrs. Margaret Piccirillo and baby, 308 Morrison street.

Refineries In Area Involved In Disputes

(Special)
Oil City, Oct. 4—The national strike of the oil workers which to date had by-passed this section of the country is now confronting all users of gasoline and oil products from the local refineries in the district as the result of a decision of Local No. 455, International Oil Workers, CIO, to strike at 7 a. m. Friday.

Following a meeting of the local strike committee yesterday afternoon, W. R. Wonsetter, international representative of the union said that unless the case between the union and companies was settled in the meantime, operations at the Pennzoil company plants and the James B. Berry Sons, Inc., independent plant would cease at the above time.

The union representative again repeated that the union will make every effort to keep doctors, ambulances, fire trucks and others essential users of gasoline supplied during the work stoppage period.

The local workers are seeking what amounts to a 30 per cent. increase in pay, the same goal as the national organization. They are asking the same take-home pay for a 40-hour week in cases where the plants were operated on a 48-hour week during the war or a 30 per cent. increase in wages where the plants were operated on a 40-hour basis during the war.

Yesterday's action followed a strike vote held Tuesday by the members of the local at which time the workers voted 280 to 19 to strike in support of the national demands. Workers at the Emblenton plant of the Quaker State Refining company also voted to strike and previous to that similar action had been taken by the workers at the Cities Service plant in Titusville.

Every one needs this
Indispensable Coat

Yes! it's covert cloth . . .

the fabric that will stand the weather and the hardest kind of wear and still retain its sophisticated appearance. Wear a covert in the car, on the bus, back and forth to work . . . you just can't hurt it and at the same time you are saving your more delicate dress coat. And . . . you will be just as well dressed, too. Here they are in Natural, Black, Soft Green, Autumn Brown or Mist Blue. Sizes 10 to 18.

LOTTSVILLE

Lottsville, Oct. 2—Raymond Dillenbeck has gone to visit relatives at Beloit, Wis.

Thursday evening, Mr. and Mrs. Ralph Flick and children of Meadville were calling on their parents, Mr. and Mrs. Del Clark.

Ralph Dyke was on a business trip through Ohio and attended the saddle horse sale at Greenville, on his way home.

T. S. Baker is on a business trip to Cleveland and other points.

Stella Rebekah Lodge No. 239 had election of officers Thursday evening, also put of degree work, taking in one new member, Miss Lillie and two members of Bear Lake lodge went in for initiation, visitors present from Lakewood, N. Y., and Bear Lake lodges.

A committee of three from Bear Lake and three from Lottsville served ice cream and cake. Gifts were presented to those having birthdays and anniversaries through the month of September, all seemed to have an enjoyable time.

Cpl. and Mrs. N. T. Constantine of Camp Dupont, Wilmington, Del., and Mrs. Erma Jacobson of Los Angeles, California, were guests Saturday of Mr. and Mrs. Robt. Scott.

Friends of Mrs. Dillenbeck will be sorry to hear she is ill.

Mr. and Mrs. Earl Wilson entertained at a Sunday dinner his

mother and father, Mr. and Mrs. Chas. Wilson of Bear Lake and brother and wife, Mr. and Mrs. Clyde Wilson of Niobe, N. Y. The dinner was in honor of Mr. and Mrs. Chas. Wilson, each having birthdays only a few days apart. Mrs. Wilson being 84 years and Mr. Wilson 88 years.

Mrs. E. E. Dyke spent a day last week with her sister, Julia Green, of Kersey, Pa.

Visitors at the home of Mr. and Mrs. James Fitzgerald Sunday were his father and mother, Mr. and Mrs. Sid Fitzgerald and Mrs. Dee Drayer and son, all of Warren.

In Guatemala and British Honduras there is a species of turkey whose plumage vies in splendor with that of the peacock. The bare skin of the head is blue.

HOW ABOUT NAZIS ON BULL HILL?

October issue of the Pennsylvania War Fund news bulletin of organized activities throughout the State for the final National War Fund appeal includes this reference to Japanese embassy officialdom quartered by the government in Bedford:

"From Bedford county comes this story of whether tapping a definitely new source of prospective contributions to the National War Fund might be diplomatically permissible, financially productive or just not worth bothering about. The problem was propounded—so the story goes—during a discussion among some of the campaign leaders homeward bound the other evening after a strategy session, in which it had been generally agreed that every possible 'prospect' should be approached if the goal is to be gained. It was when the needs of various agencies of the national program, particularly War Prisoners Aid, United Seamen's Service and Relief for China and the Philippines were broached that one of the county leaders inquired:

"Look. To make our quota we can't afford to skip anybody, right?"

"Right!"

"Okay. Then how about putting it up to the Jap milk-hat lads residing in our midst?"

"Could be, mebbe," another dubiously offered, "and anyway it would give 'em another chance to say 'so sorry'—and how!"

PREWAR DOLLARS

It may be that what this country needs is not so much an industrial wage scale of 52 hours' pay for 40 hours' work as a 40-hour week paid straight time at the current scale, but in 1939 dollars. Those dollars' greater purchasing power would just about make the 30 per cent straight-time increase that the unions are demanding.

Naturally, a return to the prewar cost of living would mean abundant, competitive mass production of necessary goods, which in turn would mean abundant jobs. That isn't a goal to be achieved overnight. But at least it seems like a goal worth shooting for. And it's at least worth considering against a program of continuing pay boosts which in time would certainly lift prices with it, and which hold the ultimate prospect of one's carrying his weekly pay home in a wheelbarrow.

GOOD INVESTMENT IN HEALTH

"Now is the time for potatoes to appear often on the family table. With the potato crop expected to be larger than last year, there's no need to skimp on this good vegetable," says Miss Lydia Tarrant, extension nutrition specialist of The State College.

Potatoes are a good investment in health and energy as well as flavor. They contain vitamin C and thiamin or B-one and are rich in starch. Persons who avoid potatoes because they are reducing deprive themselves of valuable nourishment. It isn't so much the potato, as the other foods served with the potato, that build unwanted fat, the specialist points out. One medium-sized potato has about 100 calories, the same number that an orange or a banana contains.

To keep potatoes at their tastiest and best, prepare and cook them quickly, advises Miss Tarrant. Time the meal so the potatoes come off the stove and onto the table without waiting.

Cook potatoes with their packets on if you want to serve potatoes in their most healthful form. Cooking them in their skins retains the greatest food value. If you must peel potatoes, make the peels as thin as possible. Don't let potatoes soak in water, but peel them just before cooking.

With the U. S. Army ready to spend nearly \$300,000 in development of recreational area on the Tionesta Dam reservoir, Warren must get busy or be left watching the cars roll by on their way to areas where wide-awake boosters have developed playgrounds. R. F. Hemingway has told of the needs in this area to draw thousands of visitors to the Allegheny National Forest and opportunity seems to be knocking at the door of private capital that could be used in building camps, cottages and small hotels in the woods areas.

Pennsylvania's Senators and Representatives should hear "from home" relative to appropriations for developments in the Allegheny Forest areas.

U. S., Britain and Russia will divide the remnants of the German fleet. If any other country would like a few ships, they can be found at the bottom of the deep, blue sea.

"Ammunition, Ammunition, Please!"

Washington Gossip

By HAROLD WARD
(Jack Stinnett Is Ill)

WASHINGTON—The nation's new labor trouble shooter is a husky, 42-year-old native of Pittsburgh, where the steel and coal industries have seen bitter labor-management clashes.

Edgar L. Warren, who took over as director of the U. S. conciliation service under the recent Labor Department shuffle, demonstrated his organizational ability as chairman of the Kansas City and Chicago regional War Labor Boards.

In Chicago he handled more cases than any other of the board's 12 regions. Working in his shirtsleeves, the greying Warren took over personal direction of several of the toughest labor disputes in the Chicago area—including the city-wide truck strike which resulted in Army intervention.

While there he also had to combat a virtual management sitdown strike over board directives. Employers refused for a while to abide by WLB orders.

The reorganization work Warren performed in Kansas City will serve him well in his new job—revamping and bolstering the conciliation service, which now numbers 250 commissioners.

Secretary of Labor Schwelvenbach, telling reporters of Warren's appointment, said the conciliation service during the war had been forced into the role of a "mere certifying agency" for

the War Labor Board. That is, the conciliation service certified that there was a dispute, and WLB settled it.

SCHWELLENBACH laughingly admitted that Warren's Missouri family background "didn't seem to be a handicap" in his selection for the job. President Truman also is a Missourian.

Neither was it a drawback to Warren when he was appointed chairman of the Kansas City board. The national WLB then was trying to find a man at least familiar with local Kansas City problems. It found him in Warren, who was then assistant director of the wage stabilization division of the board in Washington.

Warren, it was discovered, had been graduated from Kemper Military School, Boonville, Mo., founded by his grandfather, Frederick T. Kemper. His father, William R. Warren, was editor of the World Call and the Christian Evangelist of St. Louis, periodicals of the Christian Church.

After graduation from Bethany (W. Va.) College and taking graduate work at Harvard Business School and Brookings Institution, Warren became an economist for the Ralston-Purina Co. in St. Louis, remaining there for seven years. In 1933 he came to Washington as an economist for the Agriculture Department, and in 1938 went over to the Labor Department's wages and hours division. He jumped from there to the WLB in 1942.

Fifty-two weeks do not make a year; they total only 364 days.

YEARS AGO IN WARREN

Interesting Items Taken From The Warren Evening Times

In 1925

The October third edition of the Morning Mirror was dedicated to the twenty-fifth anniversary of the Mirror and Evening Times and so the opening of the new home of the Times-Mirror.

C. F. Larson, furniture dealer at 20 Conewango avenue has on display a very fine collection of the most modern furniture. An added attraction is a free gift to all adult accompanied children.

Governor Gifford Pinchot has notified directors of the Warren State Hospital that he will come to Warren to inspect the hospital, which is hailed as one of the finest insane institutions in the state.

Kornreich, Paris, Palm, and Price will be the backfield starters when the Warren Red Jackets meet Olean Independent here in the first semi-pro football game of the season.

In 1935

Mrs. Albert Rockwell and Miss Barbara Dennison have received the Peterson trophy, to be held for one year, through their winning the bridge contest at the state meeting in Reading.

K. J. Bjers, manager, and Nels Anderson, both of the Warren Baking Company, voted against an increase in the price of bread which was proposed at a Pennsylvania-New York bakers' meeting.

State police have again started a campaign to enforce the use of a tail-light on all bicycles ridden at night. The local officers state that too many accidents can occur if the bicycle has no rear light.

High winds caused considerable damage here. An apple tree near the Hickory street bridge was felled, littered the streets and sidewalks with apples and many telephone poles were knocked down.

Demolition bombs used by aircraft on missions to level bridges weighing 4000 pounds or more. From a plane, a bridge is difficult to hit exactly—the heavier the bomb the greater the chance of wrecking at least part of it.

Everybody reads the Times-Mirror.

From where I sit ... by Joe Marsh

Americans have a word for it

Bill Larkin's boy, who's back from overseas for good, was telling us about the funny customs and the different languages of European countries.

One thing he noticed is that in so many of those countries there is no word for "home." "House," yes ... or "building." But no name that stands for what we mean when we say home.

"In spite of the fact," says Bill, "that it's the most important thing there is ... a place where you can take your shoes

Seals Ready For Overseas Service Mail

For the convenience of relatives and friends sending holiday packages overseas, Christmas Seals may be obtained at the seal sale headquarters of the Warren County Tuberculosis Society, 810 Pennsylvania Ave., east, according to an announcement made today by H. M. Mohr, 1945 seal sale chairman.

The seals will not be distributed generally until November 19, he reports, but have been made available at this time for use of service men's mail.

"We have had requests," he said "for seals to put on overseas mail and we are glad to provide them for Christmas packages to the boys and girls away from home."

"Christmas Seals as an American tradition show our men abroad that we are not letting down health standards at home but are fighting to keep the dread disease, tuberculosis, under control in our communities."

In announcing the mailing plan for the 1945 holidays, the post office points out that the task is more complicated because of the cessation of hostilities and the redeployment of men and women. Mail gifts may be sent overseas from September 15 to October 15 without the written request of the recipient. A total of \$2,000,000 Christmas packages were sent to military personnel overseas last year.

Crater of the "Grand Slam" bomb, a 22,000-pounder used by the Allies during the war, was more than 120 feet across. It was used mainly against railroad and marshalling yards.

Advertisement

From where I sit, that may be an important difference between this country and some others. The conception of home as a place of tolerance and sacred loyalties—where differences of habit and opinion give way before love and understanding! Yes, we Americans have a name for it!

BARNES

Barnes, Oct. 2—A number of our young people attended the Youth Fellowship meeting held at the Methodist church in Sheffield, Sunday evening.

Mr. and Mrs. Donald MacMartin and son, Teddy, of Corry and Mrs. Bette Clark of Erie, spent the week end visiting their mother, Mrs. F. J. Titus.

Friends in this vicinity will be interested to know that Lt. Dorothy Wagner Brown has received her honorable discharge from the U. S. Army Nursing Corp and has joined her husband, Lt. Archie Brown, now stationed at Parris Island.

Mr. and Mrs. H. S. Roberts motored to Erie, Saturday, where they were guests until Monday at the home of Mr. and Mrs. Roy Barnes and family.

SAN-CURA FOR ITCHING SKIN

Quick, merciful relief to stinging, irritated, ITCHING SKIN. ECZEMA, MINOR CUTS AND BURNS and externally caused PIMPLES AND BLACK-HEADS. First application almost immediately soothes, cools and relieves the itch. Helps prevent spread of infection or your money back. 35c or large economy size 69c. Insist on genuine SAN-CURA antiseptic ointment with the white and blue cross.

Where Do You Stand On Tooling?

TO HELP YOU PRODUCE—we will design dies, jigs, tools and even special machinery for you. We have a small but well equipped tool room and machine shop and are prepared to handle:

Lathe Work—to 21" dia. and 5' long
Shaper Work—12" x 20"
Vertical Index Milling—8" x 18"
Horizontal Milling to 20"

Surface Grinding—6" x 18"
Contour Sawing
Heat Treating
Drilling
Tapping

We are experienced in repairs of parts and assemblies and thoroughly familiar with general tool designing and construction. We were successful in manufacturing war equipment and plan a continuing program of post-war work. Write or call us about your needs.

Indian Run Again Given Attention of Councilmen

Indian Run, perennial subject over a long term of years for the members of the Town Council, was again in the limelight last evening. The Sewer Committee reported that the Warren County Dairy was anxious to have the run put into 45-inch sewer pipes and placed underground. Mr. Klinefelter had been in consultation with officials of the dairy company and presented an agreement whereby the dairy company pay \$1000, or one-half of the cost of the installation if it was less than \$2000. Council discussed the matter at some length and it was finally agreed to pass the resolution with an amendment the dairy company pay one-half of all construction costs and one-half of the maintenance for all time.

The special committee presented a report in which it was stated that due to heavy expenditures facing the borough in the near future the purchase of the mill pond and race at this time is not deemed advisable. But suggestion was made that parking lots be looked for by councilmen.

The street committee also reported unfavorably against the vacation and sale of Chestnut street to the Struthers Wells Corporation.

Catholic Women Completing Plans For Social Events

Plans for several activities of the near future came before the membership of Court Warren, 834, Catholic Daughters of America, in its regular meeting in the K. of C. clubrooms on Wednesday evening. The senior regent, Mrs. W. E. Cooney, presided.

Plans were completed for a Halloween party to be held in the clubrooms at 8 p. m. on Wednesday, October 24. All members are cordially invited and a large attendance is anticipated. Mrs. Albert Schwartz, Mrs. Matthew Bova and Miss Josephine Massa are in charge of arrangements for the affair.

Announcement was made that plans are also well under way for the court's annual birthday party to be held in November, the details to be made known later.

To conclude the evening, refreshments were served by a committee headed by Mrs. A. Guffre, Jr., Mrs. Joseph Mastrian and Miss Sylvia Lucia.

Women of Moose Plan To Observe 23rd Anniversary

November 3 will mark the 23rd anniversary of Warren Chapter, 693, Women of the Moose, and plans are well under way for observance of the event. It was announced at the regular meeting of the chapter, held last evening, that a dinner will be given to honor all charter members. Other details will be announced later.

Senior Regent Mary Kirberger was in charge last evening. When attendance awards were made to Hilda Anderson and Mabel Crimpenshaw, and the Chapter Night program of Alie Lauffenberger, alumni chairman, was given.

Plans were continued for sending cookies to the American soldiers at the Bull Hill camp on October 9, and it was stated that candy bars and gum will still be accepted at the next meeting, October 17, for the box to be sent to Moosehaven.

Social Events

BOOSTER NIGHT AT WARREN GRANGE

Warren Grangers enjoyed a Booster Night in the IOOF hall last evening, with a largely attended tureen dinner. Following the regular business session, time was occupied with playing bridge, five hundred and shuffleboard, together with dancing. Much credit is due Gertie Johnson and her committee for their fine arrangements for the evening.

Plans are under way for a Halloween masquerade party to be held in conjunction with the next regular meeting.

MANY PRESENT TO HEAR CHIEF

Last evening a good sized audience for the first evening heard Chief White Feather sing several gospel messages to classical tunes at Calvary Baptist church. In the message "Wake Up, America," he brought forth several timely warnings for the churches of today.

This evening he will speak on "Let Me Tell Your Fortune," and will give several numbers in song. In the first part of the service he will discuss some phases of the life of the American Indian.

MAY R. STONE CLASS TUREEN ON MONDAY

Members of the May R. Stone class of the First Presbyterian church will meet Monday evening, October 8, at six o'clock for a tureen dinner at the summer cottage of Mrs. Victor Offerle, Jackson Run road. The committee will serve coffee, cream, rolls and dessert. Anyone wishing transportation is asked to call 2139 or 595-R, and all members are reminded to bring their gifts for auction.

JOHNSON AND KRIEG RITES ARE LEARNED

Arrangement is made today of the marriage of Miss Lucille Krieg, of Cleveland, O., and Rudolph Johnson, son of Mrs. Carl Johnson, 8 Verbeck street, this city. The ceremony was performed on Saturday, September 29, in Cleveland, where the newlyweds will make their home.

NOTICE

Dr. Valone's Office will be closed for the remainder of the week. 10-4-1t.

Women do you suffer

SIMPLE ANEMIA

Due to Loss of Blood-Iron?

You girls who suffer from simple anemia or who lose so much during monthly periods you feel tired, weak, "dragged out"—this may be due to low blood-iron—so try Lydia E. Pinkham's TABLETS at once. Pinkham's Tablets are one of the very best home ways to help build up red blood to give more strength and energy—in such cases, Pinkham's Tablets are one of the greatest blood-iron tonics you can buy! Follow label directions.

Distinguished Visitors

Agnes Wesselmann, of Buffalo, N. Y., who will preside at the all-day sessions of the Zonta conference here on Saturday, is serving her second term as chairman of Region A, District III, of Zonta International, classified service club of executive business and professional women. She is treasurer of L. E. Wesselmann, Inc., of Buffalo. She has served as president of the Buffalo, N. Y., club, the first and still the largest club in the organization. Her membership in Zonta International dates to 1921 and her activities have included service as chairman of several of her unit's committees, such as attendance, publicity and finance.

Carolyn B. Dissoway, who comes from Mineola, N. Y., and is Zonta International's chairman of District III, is an attorney specializing in probate law. In addition to her private practice, she is village attorney for Baxter Estates, Port Washington, N. Y. Graduate of Columbia and the Brooklyn School of Law of St. Lawrence University, she holds both bachelor and master of laws degrees.

Author of a number of articles on law and community topics, her interests are wide and varied. She is a deputy attorney general and deputy district attorney; has served as president of the Woman's Bar Association and in several capacities in the Federation of Women's Clubs. In 1942 she received the outstanding achievement award from the Business and Professional Women's Clubs. She has traveled in every state of the Union, in Mexico and Canada, and in many European countries. She has served as president of the Long Island Zonta Club and has held various offices in the international organization during the past ten years. She is the mother of a son in the Pacific theatre and of a daughter who is a student at the University of Syracuse.

5, in the church. The social committee will be composed of Mr. and Mrs. Elton Waite, Mr. and Mrs. Charles Farrell and Mr. and Mrs. Chris Peterson. O. A. Albaugh will have charge of devotions.

DANCING CLASSES

Mrs. Harriet Wilkins announces the opening of a student's class in ballroom dancing at the Y. W.

C. A. activities building Saturday evening at seven o'clock, October 13. Enrollments may be made by contacting Mrs. Wilkins at her home, 103 East street, or by calling, 243.

WAKE UP YOUR DIGESTION BELOW THE BELT

Without Stomach Relievers

This Kind of Laxative Help Often Needed When Lower Sluggishness Causes Gassy, Bloating Misery

When most food leaves the stomach, it is by no means fully digested. It is in the 23 feet or more of intestines that the greater part of digestion is done. When we get constipated these later stages of digestion often slow down. Then food is apt to ferment and decay excessively in the bowels. As a result we may feel full of gassy bloating and other indigestion miseries. That's when you need Beecham's Pills. They work to relieve this congestion of waste and encourage the welcome elimination which helps promote better digestion below the belt. Ask your druggist for gentle, all-vegetable Beecham's Pills today. Caution: Use only as directed. 25¢.

SOCIETY

LOCAL STUDENTS "AT HOME" GUESTS

Saratoga Springs, N. Y., Oct. 4.—President and Mrs. Henry T. Moore held an At Home at the President's House September 29 for this year's group of entering students at Skidmore College, which numbers 327. Among the guests were Sara W. Armstrong, daughter of Mr. and Mrs. Thomas L. Armstrong, 207 Fourth Avenue, and Joan L. Beyer, daughter of Mr. and Mrs. Clair J. Beyer, Home street, Warren.

WCSA MEETING AT GRACE METHODIST

WCSA members of Grace Methodist church will meet at 7:45 p. m. Friday in the Winger room of the church. Rev. Donald Irwin, pastor of First Presbyterian church at Kane, will be the guest speaker. He will be accompanied by his wife, who will also speak and will show a number of interesting articles brought from China. All members and interested persons are urged to be on hand to hear and greet the visitors.

PETER BOHREN STARTS STUDIES

Peter Bohren, son of Mr. and Mrs. Peter Bohren, 15 Dartmouth street, has begun classes at Albright College at Reading as a member of the freshman class. Dean George W. Walton announced. A graduate of Warren High School's Class of 1945, Bohren is a science student at Albright. In high school, he was active in orchestra, band, Student Council and the H-Y Club.

BARBARA KAY IN CHOR PERSONNEL

Miss Barbara Kay, daughter of Mr. and Mrs. H. M. Kay and sophomore at Lake Erie College at Painesville, O., has been chosen from the highly competitive tryouts as a member of the College Choir for a second year.

CHE-LA-CHA CLUB

Members of the Che-La-Cha Club will meet at eight o'clock Friday evening at the home of Mrs. John Carlson, Cobham Park Road. All members are requested to be present.

P. T. A. News

PLEASANT UNIT

Members of the Pleasant P. T. A. met Tuesday evening at the school house. Mrs. Alice Kitefinger, the new president, opened the meeting. Following the business meeting, group singing led by Miss Eaton was enjoyed. Joyce Beebe was at the piano. Interesting travel pictures were shown the group by Vance Weld. The attendance award went to Miss Farr's room. To conclude the evening, a delightful lunch was served.

Other new officers, besides Mrs. Kitefinger, are: Vice president, Mrs. Evelyn Genberg; secretary, Mrs. Marie McGarry; treasurer, Mrs. Ruth Woodruff; program chairman, Mrs. Suzie Beebe; finance committee, Mrs. Margie Lindsey; Mr. Rockwell and Mr. Morrow; hostess, Mrs. Rose Mazzuca; refreshments, Mrs. Lemmon; magazine chairman, Mrs. Lois Yaegle; membership chairman, Mrs. Ida Yaegle; publicity chairman, Mrs. Bernice Rieder.

Announcement was made that there will be a pie social at the next meeting, the first Tuesday in November, to raise funds for a hot plate.

Grange News

SUPPER-MEETING OF PLEASANT GRANGE

A twelve dinner-birthday party will be held by Pleasant Grange on Friday evening, beginning at 6:30 o'clock. Each one attending is asked to bring his own dishes and rolls, in addition to a twelve, meat to be provided by the committee.

Personal Paragraphs

Mr. and Mrs. Alfred P. Kitchen, of Philadelphia, are spending the week at the home of the late Mrs. J. W. Kitchen, 313 East street.

The many friends of Miss Mary Ruth Carlson, student nurse at the Millard Filmore Hospital in Buffalo, will be pleased to learn that she is recovering satisfactorily from an operation performed Tuesday. She is expected home on Saturday to spend some time with her parents, Mr. and Mrs. John Carlson, Cobham Park Road.

SHEFFIELD NEWS

Sheffield, Oct. 2.—The W. S. C. S. held their meeting in the church parlors Tuesday afternoon with a very good attendance. The meeting was opened by the president, Mrs. W. O. Christenson. The devotions were in charge of Miss Clara Dunham, and with Mrs. Maude Chamberlain giving the lesson study, using as her topic, "Women in the Working World." Mrs. Whitaker gave a report on the recent rummage sale, and Mrs. W. H. Rawson gave a report on the church repairs. The W. S. C. S. conference of the Jamestown district will be held in Cattaraugus, N. Y., October 23.

The society has planned a cafeteria supper in the latter part of the month. Refreshments were served by Mrs. Wayne Chamberlain and her committee.

Mrs. Hilda Reed was presented with gifts from the ladies as a recognition of her services to the church.

CLUB MEETING

A joint meeting of the Garden Club, Progressive Club and the Sheffield Women's Club was held last evening in the dining room of the Ruth M. Smith Home. The meeting was very well attended by the club members and a very pleasant evening was enjoyed. Mrs. A. M. Gibson extended the greetings to the clubs and introduced W. B. Ward, who explained about the supervision and care of forests, and with E. L. Rudolph showing movies on "Conservation of Forests and Wild Life," which proved to be very amusing, educational and of great value.

The room was decorated with lovely flowers and the centerpiece for the tea table was arranged by Mrs. Gertrude Brown. Pouring at the table were the presidents of the clubs.

PERSONALS

Friends will be pleased to learn that Mrs. Dave Mainwaring and Mrs. Charles Anderson are at home after being patients at the Hamot Hospital at Erie.

Mr. and Mrs. Edward Anundson.

of Erie, were weekend guests of Mr. and Mrs. A. D. Bramer over the weekend.

Mrs. Marge McKillip, Miss Betty Loomis and Russell Olson were Titusville visitors Sunday.

Sgt. Nicholas Hezel is home on a 45-day furlough, having spent the past two years in the European area.

Mrs. Monroe Blodgett and sons spent the weekend with the former's parents, Rev. and Mrs. Chitester, at Youngsville.

Everybody reads the Times-Mirror.

MEMENTO OF TRIP

Henry Peterson and son, Allen, of Warren RD 1, are home after two weeks hunting in northern Ontario, Canada, the latter bringing with him for mounting the head of a moose which he shot during the trip.

KEEP LEAVES OFF STREETS

Persons about town who are busy raking up leaves blown down by the high winds are warned not to take them onto the pavements. Leaves should be piled between the curb and sidewalk where they will be picked up by the borough truck. Leaves placed on the pavement are carried into the catch basins and clog the sewers.

50 YEARS A RAILROADER

John Anderson of Oil City, a native of Tidououte, was retired on October 1, after 50 years of service with the P. R. R. and its predecessors. For 40 years he has been an engineer. He began as a boy working with the section crew with his father near Tidououte. His wife is the former Genevieve Mitchell of Garland and they have four daughters.

CEILING ON WASHERS

The Office of Price Administration fixed dollars and cents ceiling prices for new washing machines and ironers. They range from \$29.95 to \$199.95, depending on quality and also partly on where in the United States they are sold. In New York, New Jersey, Pennsylvania, Delaware and Ohio, retail prices will range from \$29.95 to \$189.95.

AT CONFERENCE

Rev. P. Elmer Landerahl, representing the Warren County Ministerial Association, left last night for Washington, D. C., to attend a national Zionist conference, which will seek to find relief for the suffering Jews in Europe. Of these, 110,000 are now stranded in concentration camps, and it is especially hoped that the doors of Palestine may be opened for them.

IN PENITENTIARY

Architect Karl Morrison, of Erie, convicted at a trial before Judge Allison Wade, of this county, in Erie county courts is now in the Western Penitentiary having surrendered Monday afternoon. A candid camera picture taken in the Erie county court room shows Morrison on a cot as he claimed to have a leg injury. In the picture taken and printed by the Erie Dispatch Judge Wade, Clerk of Courts Evelyn B. Wilson and Morrison's attorney, Attorney Wilbur Seabrook are shown.

WARN MERCHANTS

Business organizations in nearby cities are issuing a warning to all merchants to beware of turning over accounts to an Ohio concern which is engaging in the collection business and hires home town agents under a plan that is said to result in a fraud. The home town agents are not held to blame for the fraud and is said not to develop until after they have begun their work and have accomplished some collections. Merchants are urged to depend upon known agencies for this service and to beware of solicitation by inexperienced persons who may have been retained in different communities by the concern.

TIDIOUTE

Tidououte, Oct. 2.—A musical will be sponsored by the young ladies of Miss Ida Higgins Sunday school class Tuesday October 9th at 8 p. m. in the church parlors. There will be talent from Warren and Tidououte. Everyone is invited. An offering will be taken. Private Karl Grettenberger, writes from Denver, Colorado, that he and Sgt. Garwood Lodge met there and had a long visit. Both these Tidououte men are stationed at Lowry Field.

Lieut. (j.g.) F. R. Kapp spent a few days in Tidououte with his parents Mr. and Mrs. F. E. Kapp. Lieut. F. E. Kapp has received orders N.A.T.S. Asia to leave San Francisco Oct. 8th. Mr. and Mrs. Kapp accompanied Dick to Cleveland Wednesday where he takes plane for San Francisco.

First meeting of Fortnightly Club enjoyed a tureen dinner at the home of Mrs. George Konkin. In spite of the heavy rain there was a good turn out. Music was furnished by the music committee. By laws by Mrs. H. R. Hawkey.

The Altar Society of St. John's church met on Tuesday at the home of Mrs. John Follett. After the business meeting games were played and dainty refreshments were served.

Rally Day was observed in the Presbyterian Sunday school Sunday Sept. 30th at 11 a. m. The church held its harvest service. The young peoples choir (the Choristers) sang. The sermon was delivered by Dr. W. Prout. "The Harvest of Hope".

Cadet Nurse Beverly Grettenberger is spending the month of October with her parents.

Miss Marilyn Zwald of Warren spent the weekend with her grand-

During the severe storm Friday night two homes were struck causing very little damage. Mr. and Mrs. Louis Wedlock of Titusville spent the weekend in Tidououte visiting relatives.

Mrs. Robinson and son, Sgt. Robinson of Philadelphia, are guests of Mr. and Mrs. Roy Mis-

kinson.

Mrs. Lyle Briggs has returned from a visit with her daughter, Mrs. Durham in Vienna, Va. Born to Mr. and Mrs. P. C. Coffman a daughter Thursday Sept. 28 at the Warren General Hospi-

tal. Her name will be Barbara Jolce.

Barnes

Marshall Cook, "Tosh" received his honorable discharge at Portsmouth, Va., Thursday afternoon. He is now in Washington, D. C. where he expects to be employed on the police force. Mrs. Cook and their little son, Marshall Edward, arrived here Friday evening for a visit with his parents, Mr. and Mrs. B. S. Cook. Other week end guests at the Cook home were Mrs. Leon Roberts and children, Bruce and Beverly, of Erie, Pa. Miss Lois Jeffords, a nurse at the Elizabeth Steele Magee Hospital in Pittsburgh, spent the week end visiting her parents, Mr. and Mrs. C. E. Jeffords.

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes

Flush Out Poisonous Waste

If you have excess acids in your blood, your 15 miles of kidney tubes may be overworked. These tiny filters and tubes are working day and night to help Nature rid your system of excess acids and poisonous waste. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause rheumatism, rheumatic pains, loss of pep and energy, getting up nights, swelling, puffing under the eyes, headaches and dizziness. Frequent or easy passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Kidneys may need help the same as bowels, so ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Barber Shops of Warren Will Change Hours

Along with all the other stores in Warren, the Barber Shops will be open Friday evenings until 9 o'clock and will close Saturday evenings at 6 o'clock, commencing Friday, October 5th, and Saturday, October 6th.

Barber Shops will continue to close Wednesday afternoons at 12:30 the year 'round.

The barbers believe this change in week-end hours will be more convenient for their patrons while doing their shopping at the other stores.

Lamp Fired Farm House On Miller Hill

Firemen at the Central station last night at 10:03 had a caller, Robert Covell, of Miller Hill. Mr. Covell informed the boys that his house was ablaze and that he needed the fire trucks. The firemen pulled out with the emergency trucks and were treated to a demonstration of what good use one of the stirrup pumps such as the government gave out for bomb fighting can be put.

A lamp had been left sitting on a window sill and the heat from the lamp set the wall ablaze. It burned into the studding and to the upper floors of the home. A neighbor with a stirrup pump went to work on the blaze. He was given assistance and kept the pump tank full and managed to hold the fire from spreading too badly until the firemen arrived. They used chemical extinguishers and the booster tank.

The loss will be considerable as studding over quite a large area was burned and charred. The firemen had the fire all out and returned to the station at 11:06.

Mechanics of the department working on the ground system on the territory east of the Times-Mirror office this morning tapped the alarm bell at the Central station, but there was no fire. The fire alarm cables have been carefully checked but the ground so far has eluded the men.

Fire Chief Albaugh yesterday completed the distribution of much literature urging observance of Fire Prevention Week, October 7 to 13.

SAUSAGE PANCAKES

New Collection of Memorial Books At the Public Library

The latest group of memorial books to be placed on display at the Warren public library will be released on Saturday morning, October 6th, at 9 o'clock. Each group of books is held for display for a week before being released.

In this week's display are two more titles which have been added to the Anna Mary Huling collection. They are The Birth of America by John James Audubon, and The Bird Book by Neltje Blanchan.

Two more books have also been added to the Hilda Wood Jacobs memorial group. They are Shakespeare and The Actors, by Arthur Colby Sprague, and How to Cook, by Marjorie Griffin.

Covers and Casts by William J. Schaldach, Field Sports and Angling in Words and Pictures has been presented in memory of John Driscoll. The Great Answer by Margaret Lee Runbeck has been added to the memorial collection honoring Private Clair A. Ward.

Miss Mae Moran, deceased principal of South Street school, has been honored with the presentation of The Index to Fairy Tales, Myths and Legends by Mary Huse Eastman.

Personal Paragraphs

David W. Beaty III has arrived in Warren from Miami, Fla., to spend a few days with his wife and daughter and parents. He recently arrived in this country from Brazil, and expects to return to Rio de Janeiro soon.

Mrs. Robert H. Jackson of Washington, D. C., is visiting at the home of Mr. and Mrs. John L. Blair, 105 East street. Her husband, United States Supreme Court Justice Robert H. Jackson, is in Europe representing the United States as chief prosecutor of Nazi war criminals at trials to be held in Nuremberg, Germany this fall.

Kiwanis Club Has Invitation

Rev. Wayne Furman, First Methodist minister, was speaker for the Wednesday luncheon-meeting of the Kiwanis Club, held at the Hotel Carver. Basing his remarks on one of Ida Tarbell's writings, "I Knew Lincoln," he told in character of the little stone in Illinois where Lincoln used to sit and swap tales long before anyone dreamed of his becoming famous or occupying the first chair in the land. Then, as Lincoln, he told of the visit of the storekeeper to the White House, "without any axe to grind and just to see an old friend and neighbor."

Announcement was made at this meeting that local Kiwanians and their wives have been invited and will be represented at the 10th birthday of the Kane Kiwanis Club, to be held on October 29 in the form of a Ladies' Night. Since the Warren Club was sponsor and organizer of this nearby unit, it is likely the attendance from here will be sizeable.

Only guest at yesterday's meeting was Kiwanian Joe Galbo, of Kane.

BIRTHS

At St. Vincent's
Mr. and Mrs. Paul E. Dailey, of Erie, are parents of a daughter, weighing seven pounds and two ounces, born last night at St. Vincent's Hospital. The mother is the former Lorraine Koebly, of Warren.

Warren County United War Fund

With only 10 days remaining before Warren County United War Fund opens its campaign for \$88,700 Chairman Edward W. Johnson reports that his organization will be ready to call on the thousands who will contribute to the fund during the campaign dates, October 15 to October 22nd. Much preliminary work has been done and the ground well laid for the success of the undertaking.

Mr. Johnson has surrounded himself with an organization which he claims is second to none. Calling on many of those who so successfully assisted him in previous years he is pleased to announce the personnel of his many committees as at present constituted. Pointing out that some chairmen and captains still have to report their committee or team members he stated that Division "A" under H. W. Conarro, Chester S. Allen, and H. N. Elmquist have enlisted; T. L. Armstrong, Don Conaway, T. K. Cress, H. R. Fisher, R. E. Dunham, H. J. Harvey, B. W. Knapp, and E. C. Walker; and these men are already at work on their important task of securing cooperation from the larger firms in the Borough and County.

E. H. Ley and B. V. Lesser have the task of getting subscriptions from the commercial firms in the borough and have completed their organization which as follows: Albert L. Rasmussen, captain, M. A. Connelly, Andrew Nelson, Elmer Lundahl, Guy Edris, and H. B. Meacham, team members; George S. Frantz, captain, N. W. Drake, E. G. Garber, W. A. Greenlee, Guy McKinley, and Homer Mohr, team members; F. E. Kieselbauer, captain, H. L. Banghart, Wm. Cannon, Wm. Lutz, Robert A. Armstrong, Wm. E. Yeager, and Walter T. Kiser, team members; G. G. Lind, captain, P. E. Harrington, Mike Blech, M. E. Jewell, Ray W. Steber, R. R. Radspinner, and George F. Wholeben, team members; A. H. Templeton, captain, L. A. Branch, C. W. Anderson, A. L. Langdon, A. H. Bengtson, and R. F. Dietsch, team members.

Mrs. Richard G. Dawson has six section chairmen who in turn have signed up five captains each. The captains will get five team members each, making a body of one hundred and eighty-seven women who have agreed to see that everybody in Warren will have the opportunity to contribute. The section chairmen and their captains are: Section 1, Mrs. Melvin Ahlgren, chairman, Mrs. W. E. Cannon Jr., Mrs. E. J. Weigle, Mrs. A. F. Dunham, Mrs. G. T. Peterson, Miss Sunny Lucia captains. Section 2, Mrs. Frank Tamberine, chairman, Mrs. Donald M. Kinander, Mrs. Frank Scallise, and Miss Frances Schimmelfeng captains. Section 3, Mrs. Harold Blair, chairman, Mrs. Brackett Ayers, Mrs. Wm. Glassman, Mrs. R. L. Hertz, Mrs. Charles Brown, and Mrs. C. W. Beckley captains. Section 4, Mrs. Arthur J. McDonald, chairman, Mrs. C. H. Rowland, Mrs. Fred Wood, Mrs. Roy Kerr, Mrs. Albert Ristau, and Mrs. Frank Smith. Section 5, Mrs. Randall W. Clark, chairman, Mrs. Lyle Knapp, Mrs. J. B. Leidig, Mrs. D. E. McComas, Margaret Whitcomb and Mrs. Carl Lundahl captains. Section 6, Mrs. Guilford C. Jones, chairman, Mrs. L. M. Schaeffer, Mrs. E. W. Koebley, Mrs. Donald Finley, Mrs. P. A. Davidson, and Mrs. Donald C. Smith captains.

L. F. Morlock is ready to go to work with the chain stores and National firm division and expects to equal if not exceed his previous successes.

John G. Rossman will have his usual smooth working group who will take care of the Governmental and school employees. His aides are: Federal, R. P. Hemmingway; State, T. H. Milenius; County, Donald Schuler; Borough, C. W. Barwis; Schools, John G. Rossman; County Schools, Roy L. Blair.

DOG HIT BY CAR

A cocker spaniel dog bearing license 396 was hit by a car in the 600 block on Conewango avenue and injured about the rear legs. It was taken to the police station last night and an effort will be made to locate the owners as it is evidently a valuable dog and a household pet. The police last night also spent some time in a hunt for a girl but without avail. The search was made at the request of the girl's mother.

Police Here Enroll With Other Officers

Warren police are enrolling with other officers from this vicinity in a refresher course at a police school to be conducted here by Chief Harry Hill of Ridgway. Chief Hill has recently been graduated from the FBI School at Washington, D. C., and will bring to the men the latest ideas in law enforcement and crime detection. The course will open on Wednesday, October 10 and will be held each Wednesday evening until completed. In all there will be 72 hours of instruction and the school promises to attract many officers from this entire section. It is a far cry from the old days when police merely twirled their night sticks and gave the "hot foot" to drunks to the officer of today who is trained in the handling of various situations that may arise in police work. The automobile has brought many changes both in the commission of crime and in the escape of criminals and this will all be encompassed in the instruction at the school.

COLE HILL

Cole Hill, Oct. 2—Mr. and Mrs. Seth Holmes and children Marion, Alice and Gordon of the Garland-Torpedo road and Miss Louise Brooks of Pittsfield attended the Wesleyan Methodist conference at Stoneboro last Sunday, Sept. 23.

Wells Hannah of Vowinkle was visiting his daughter Mrs. Oren Eastman Sunday.

The line for which the farmers signed through the soil conservation is now being delivered.

Fay Woodard was on the hill shoeing horses Friday. Mr. Woodard has recovered from his illness and can shoe horses again.

Sunday guests at the home of Mr. and Mrs. Chas. Camp were Mr. and Mrs. Wilbur Camp and daughter Judy of Clymer, N. Y., Mr. and Mrs. Glenn Schell and children, Forest, Jack and Glenna Jean of the Garland-Torpedo road. Warren shoppers this week were Mr. and Mrs. Willis Wentworth.

Lullaby at 3 a. m.

LATE at night they were brought in... the wounded from Iwo Jima. In no time at all, the little hospital at Johnson Island was jammed with men in pain.

The trip had been tough. Tough on shattered bodies... tough on shattered nerves. The men were fretful... wakeful... some were sobbing and moaning.

Something had to be done. A young doctor had an idea... there were some U.S.O. Camp Shows entertainers billeted nearby. Perhaps they could help.

Awakened at 3 a.m., still drowsy-eyed, the girls came into the hospital room and began to sing... softly. At first their voices could hardly be heard at all as they sang lullabies. Then, like a wonderful medicine, the music began to take effect. Taut nerves relaxed. Heads sank deeper into pillows. The tense atmosphere eased.

And the wounded slept.

In areas across the world in

hospitals at home...hardworking U.S.O. people are trying to make life more livable for American servicemen. Your gifts to your Community War Fund have made this work possible. Your gifts have also brought desperately needed aid to the homeless and helpless in the war-torn lands of our allies. You have aided merchant mariners, far from home. Here in America, you have helped keep down juvenile delinquency, provided aid for the families of servicemen.

Please don't stop helping now! The need is greater than ever before. GIVE AGAIN to your Community War Fund. Give from the bottom of your heart... as much as you can!

Miss Nellie Wentworth attended the birthday party for Mrs. Ethel Preble at her home near Corry Sunday, Dan Houghwot of Russell and Miss Evangeline Merry of Corry also had a birthday on Sunday and were honored at the party. A chicken dinner and birthday cakes were served at noon. The following guests were present: Mr. and Mrs. Dan Houghwot, Russell; Mrs. Jack Lockwood and sons Willie and John, Mrs. Archie Lockwood, Cuba, N. Y.; Mr. and Mrs. Lyle Merry and children Evangeline, James and Joyce and Misses Doris and Florence Sandeen, Corry.

Mrs. Lillian Belnap of Hyde-town and Mrs. Ernest Martin were visiting Mr. and Mrs. Frank Martin at Garland Saturday.

Mr. and Mrs. Walter Covey and daughter Doris of Warren were visiting Mr. and Mrs. Chas. Camp Saturday. Mr. Covey and daughter Doris left Sunday evening for Los Angeles, Calif., where he will visit his sister, Mrs. Lillian Brown.

CHURCH REVIVALS

CHRISTIAN AND MISSIONARY ALLIANCE Request Night will be observed at 7:45 this evening at the Christian and Missionary Alliance church, 705 Conewango avenue, when Evangelist and Mrs. E. D. Anderson and their daughter, Margaret, will honor requests for vocal and instrumental numbers. Those who have not yet made their requests for numbers may do so by calling 1559-W before the hour of the service.

Last evening a rousing song service was interspersed with solos and duets, also a number on the trombone. Following the musical program, Rev. Anderson brought a stirring message on "Something Worse Than Death." Friday evening will be the closing service of the Andersons' present visit to Warren.

Round-the-World Flight To End Tonight in Washington

(From Page One)

utes.

It has been an experience that nobody who made the trip regrets—and none appear any the worse. (ATC's chief surgeon, who turned the plane into a laboratory, testing all eight passengers for fatigue and reactions to altitude fully expected to have illness on his hands. The worst cases he had to treat were a couple of colds.)

It seemed early to observers aboard, and it probably was known to ATC officers, that the flight could be made in less than the specified 151 hours. There was some question on Monday and Tuesday, due to delays on the ground but the flight was put back on schedule and kept there on the long jump from Kwajalein to Honolulu, and then on to San Francisco.

Fifteen released American prisoners of war and two emergency cases were aboard the Globelster on the Hawaii-San Francisco leg in addition to the regular passengers and crew.

Mounting Strife Over Labor Issues Bring To New High Number of Idle During Year

(From Page One)

an embargo on shipping from producers in the affected areas—Pennsylvania, hardest hit; West Virginia, Ohio and Kentucky.

Emergency coal rationing was in effect in Pittsburgh, where a survey showed less than 1,000 tons in retail yards. The dispute arose over collective bargaining recognition of the supervisory employees union, an affiliate of the United Mine Workers.

The work stoppage in New York harbor came after the New York district council of the AFL International Longshoremen's Association had agreed Tuesday to accept terms of a new contract from the New York Shipping Association. It provided a 40 hour work week, pay hike but made no mention of limitation of lift loads, which was the cause of an earlier dispute.

In Detroit, General Motors Corp. was the first of the motor industry's big three to give the CIO United Automobile Workers union a reply on its demand of a 30 per cent wage rate boost. The proposal was rejected as "unreasonable." The union said negotiations would be resumed Saturday.

A strike vote involving GM's 325,000 employees is set for Oct. 24 and the UAW-CIO will vote on a Chrysler Corp. strike on Oct. 25 with some 80,000 workers involved. It also has petitioned for a strike vote at Ford Motors, which employs 109,000. The wage demand is the paramount issue.

There were no immediate indications the strike vote of 250,000 independent union telephone operators would not be conducted as announced from 2 to 6 p. m. (E. St. T.) Friday.

Joseph Belne, president of the union, National Federation of Telephone Workers, said union officials were "finding it difficult to restrain thousands of workers from immediately going on a full time strike."

The vote will disrupt local and long distance service and may affect radio broadcasts and teletype systems, but service on dial telephones will not be affected. The vote is to be conducted as a demonstration of union strength and in protest to a National Labor Relations Board trial examiner's findings that a key unit of the NFW was company-dominated and should be dissolved.

M'Arthur Orders Imperial Government To Remove All Bars to Freedom of Speech

(From Page One)

on the streets by order of MacArthur "there was no reaction at all."

Yamazaki seemed unimpressed by the fact that the Potsdam agreement guaranteed the Japanese people the right to select the kind of government they desired.

He said that he felt that it was a main duty of the home ministry to prevent any expression against the imperial house. The "thought police" were particularly vigilant against Leftists or Communists, he said, "because they advocate elimination of the imperial house."

MacArthur's five-page letter to the Japanese government was read to correspondents by Col. Ken R. Ryke, chief of the Allied command's civil information and education service.

It said in effect that the people of Japan are to be allowed to say what they think—including expressions about the emperor, worship as they desire, and not be fearful that the police will throw them into prison.

Headquarters approved the appointment of Kenji Kodama as president of the Japanese liaison office. It virtually completed the reorganization of that key agency through which MacArthur operates.

The CIO, before it was reorganized, was considered subservient to the old clique in the Japanese office which took MacArthur's orders and parcelled them out for execution.

Today more than 2,000 Japanese, availing themselves of the MacArthur-ordered freedom of speech, went in a drizzling rain to Hibuya public hall and listened to a series of talks on Japan's possible place in a peacetime world. Many students and members of Japan's middle class were in the audience.

Dr. Toyohiko Kagawa, a social reformer, said Japan's energies now can be turned toward invention and construction activities. He said Nippon's future depended on ability to choose just leaders.

The newspaper Asahi today estimated that Japan will have 4,770,000 unemployed after demobilization of servicemen and war plant workers and the repatriation of overseas Japanese.

Opium poppies grown in Turkey are almost wholly exported for medicinal uses, principally to Holland.

Everybody reads the Times-Mirror.

Chicubs' 9-0 Win Reflects Young Players Against Old Men; Bettors Reverse Odds

By CID FEDER
Detroit, Oct. 2.—(P)—If the Detroit Tigers show up today, the Chicago Cubs take them on again in the second game of the 1935 World Series, but it will be a long piece before the folks forget the "ice water" handy Andy Parko must use for blood and the water-melon-sized heart Hank Borowy has kicking for him.

SERIES PLAY-BY-PLAY

First Inning

Cubs—Hack looked at a ball and then batted out. Outlaw to York, on a snappy play by the Tiger third baseman, Johnson scratched a single through the box and stole second as Lowrey swung at a second strike. Lowrey flew out to short center. Cavarretta beat out a hit to second base. Johnson taking third on the play. Johnson scored on a passed ball. Parko was purposely walked. Nicholson pounded a triple off the rightfield wall, scoring Cavarretta and Parko. Livingston singled over second, scoring Nicholson. Livingston was thrown out stealing. Richards to Webb. Four runs, four hits, no errors, no left.

Tigers—Webb looked at two strikes and then drove a clean single into left field. Mayo singled to center. Webb being held at second. Livingston went out for a talk with Borowy. Cramer slapped into a double play Hughes to Johnson to Cavarretta. Webb taking third on the play. Hughes walked on four straight balls. Cullenbine also walked. As Borowy threw his eighth consecutive ball, filling the bases. York fouled out to Cavarretta down the first base line. No runs, two hits, no errors, three left.

Second Inning

Cubs—Hughes looked at a called third strike. Borowy also struck out, swinging. Hack was Newhouse's third straight victim as he missed a wide curve on his third swing. The crowd gave the Tiger pitcher a big hand as he strode to the dugout. No runs, no hits, no errors, no left.

Tigers—Outlaw fouled out to Cavarretta near the Cubs' dugout. Richards broke his bat fouling off one pitch, then drew a base on balls. Newhouse hit into a double play. Johnson to Hughes to Cavarretta. No runs, no hits, no errors, none left.

Third Inning
Cubs—Johnson drove a long liner to centerfield that was good for two bases when it bounced off Cramer's glove after the veteran had made a hard try. It was ruled a hit. Lowrey sacrificed Johnson to third, going out. Newhouse to York. Cavarretta looped a single to center, scoring Johnson. Parko drove a double to the wall in left centerfield, scoring Cavarretta. Nicholson popped out to Mayo at second. Livingston singled to center, scoring Parko, and that was enough for Newhouse. Big Al Benton replaced the southpaw in the box for the Tigers. The Cubs had made seven runs and eight hits off Newhouse in two and two-thirds innings. Livingston was thrown out trying to steal. Richards to Mayo. Three runs, four hits, no errors, none left.

Tigers—Cavarretta made a great diving stop of Webb's shot down the first baseline and tossed to Borowy for the putout. Mayo went down swinging at a third strike. Cramer worked Borowy for a pass. A Borowy fast ball forced Greenberg to hit the dirt and Umpire Bill Summers ruled that it had nicked the big fellow and waved him to first. Cullenbine popped up to Johnson at second for the third out. No runs, no hits, no errors, two left.

Fourth Inning
Cubs—Hughes flew out to Cramer in center. Borowy struck out, swinging at Benton's sharp curve. Hack beat out a roller toward third base. Benton's throw just failing to nail him. Johnson went out, Outlaw to York. No runs, one hit, no errors, one left.

Tigers—York walked to open the inning after working Borowy for the full count. Outlaw lined a single to right, but Nicholson's quick recovery held York at second. The Cubs infielders talked to Borowy a moment, and he settled down and struck out Richards. Zeb Eaton hit for Benton Cavarretta, lb. 4 3 3 1 1. Parko, cf. 4 3 3 1 1. Nicholson, rf. 4 1 2 0 0. Livingston, c. 4 2 0 0 0. Hughes, ss. 4 0 0 2 4. Borowy, p. 4 0 0 1 0.

Borowy and Livingston. Newhouse. Benton (3). Tobin (5). Mueller (8) and Richards.

Remaining Series Schedule
At Detroit today and Friday.
At Chicago Oct. 6, 7, 8 and 10.
Best four games out of seven.

Sixth Inning

Cubs—Livingston flew out to Cramer in center. Hughes worked Tobin for a walk on five pitches. Borowy sacrificed him, the play going from Outlaw to Mayo, who covered first base. Hack was out, Mayo to York, on an easy roller. No runs, no hits, no errors, one left.

Tigers—York socked a long single to left center. Outlaw bounced to Hack and the latter's throw to second was too late to force York. It was ruled a fielder's choice, and Outlaw was not credited with a hit. Richards flew out to Parko in center. Tobin lotted to Johnson. Webb rolled out, Johnson to Cavarretta. One hit, two left.

Seventh Inning

Webb went far back into left to take Johnson's fly. Lowrey flew out to Cramer. Cavarretta smashed a home run off a stanchion at about the 350-foot line in

BEHIND THE LINES

The Detroit Tigers' pitching star of the past two American League campaigns has learned the woes of frustration. Left-hander Hal Newhouse, winner of 25 games in the hectic '45 flag race but 9-0 loser to Chicago in the series opener, came up with this answer, "I simply didn't know how to pitch to them; they're all new to me."

Newhouse, batted out of the box only seven times in his 38 starts against American League hitting, served up base hits to exactly half the 16 Cub batters who faced him in the 2 2/3 innings he pitched yesterday. But today's story may be somewhat different, for Virgil "Fire" Trucks, the guy who got the call from O'Neill this afternoon, has pitched against the first game winners, Say Trucks.

"I pitched against 'em a year ago while I was at Great Lakes (Naval Training Station) and got a line on what they don't like."

Aside from the baseball picture momentarily, when, and if, the proposed war memorial stadium is built, backers can count on a small contribution from the State Postwar Planning Commission. Throughout Pennsylvania, some \$48,000,000 of public works of all kinds are being proposed. One million dollars of this total has been appropriated to the commission for distribution equally among the planners. In other words, for every dollar spent in engineering and planning fees, two cents will be paid by the commission. This money will not go to the construction cost itself, only to the planning costs. If the local stadium engineering costs were to be \$5,000, the commission would pay \$1,000 of the amount.

BARNES

(From Page Five)
they visited a few hours at the home of Mr. and Mrs. Howard Loveland.

Mr. D. R. Titus arrived in town last Wednesday evening and is spending his leave visiting his mother, Mrs. D. R. Titus. He has been stationed at Ogden, Utah, and will return there at the end of his leave.

Mrs. W. D. Barnes was a guest at the home of S. E. Smalley in Warren Thursday night. Saturday she accompanied her daughter, Miss Rachel Barnes, to Spangsbury, Penna., where they attended a birthday dinner in honor of her sister, Mrs. Delia Goldin.

Exactly seven weeks from

tomorrow night, you will get your first glimpse of the 1946 Drag on basketball in action on the Beatty court. On Friday, November 30, basketball makes its official opening here, incidentally, one of the earliest starting dates here for many years. Next Monday, many of the prospective varsity men will lumber up at the High School gym, with J. A. Massa supervising practices which will begin November 12.

The column still sticks by Detroit to wind up the series on the long end. If you will recall the 1935 series, the Cubs also won the first game then, but fell completely.

Series Notes: Connie Mack, 82-year-old boss of the Philadelphia Athletics, asserted that Borowy did not pitch a good game. "Borowy was in trouble the first six innings and only superlative work by Andy Parko and Phil Cavarretta saved him," declared the dignified old maestro of the A's. "I still have faith in the Tigers."

Steve O'Neill, the keeper of the Tigers, shied away from pointing out a tide-turning play. "You can do that when the score is 9-0 against you," he growled. "We simply got a bad game out of our system. Maybe Virgil Trucks will give them more trouble than Hal Newhouse."

Bill (Deacon) McKechnie, whose Cincinnati Reds were choice cousins of the Cubs all season, is getting a last laugh in the series. "Cheer up, Steve," he told O'Neill. "You've only lost one game to those guys. They beat us 21 times."

Borowy held a "victory" dinner in a small, side-street restaurant

and kid brother. "I never saw the Cubs so free and easy as they were today," he grinned. "My arm was plenty cold out there and I was sure wild, but as long as the boys were so relaxed behind me, I never worried once."

Joe Louis, making his first public appearance since his discharge from the army, saw his beloved Tigers take a triumph. The world heavyweight boxing champion had boasted Newhouse as an invincible tosser.

BOWLING

CONEWANGO LEAGUE

The Unknowns, paced by Wayne Helmbrecht's 223 single and Hugh Robertson's 508 total, opened their season with a triumph. The victory over Monty McClure's crew last night in Conewango Club action, Helmbrecht also hit a 505 total, but for the losing McClures, Hank Fisher's 182 high single and 512 total scores were not sufficient.

No matches are scheduled tonight, but tomorrow night Pettibonones tangle with Reeds.

Unknowns ... 843 835 773-2450
McClures ... 807 818 790-2415

ELKS LEAGUE

Turner Radio and Meads Machines respectively took over the Nine-O Garage and Geracinos last night in Elks League matches to move from last place positions toward the top. Fritz Kishauer set the mark for his Turner crew, turning in a 180 single score and 516 total, while for the losers, R. Dentler hit a 181 single and Hoagvall totaled 491. In the other match, Barney Malone came to top form by smashing in a 193 single and 555 total for his winning Meads. Andregg's 185 single and 437 total were high for Geracinos.

Turner Radio ... 778 797 738-2363
Nine-O Garage ... 778 788 678-2324
Mead Machine ... 783 814 716-2325
Geracinos ... 555 523 584-1762

OUR BOARDING HOUSE - with - MAJOR HOOPLE OUT OUR WAY

EGAD BOYS! IN CASE THE DEER ELIDES ME, WHAT'S YOUR PLEASURE, PARTRIDGE OR GROUSE?
I'LL TAKE A HOT DOG WITH RELISH YOU COULDN'T HIT AN OWL IN A TANDERMISTERS WINDOW WITH AN ATOM BOMB!
THERE'LL BE AN ARMY CORPS OF HUNTERS AFTER THAT GALLOPING HATRACK--JUST DON'T POKE YOUR RED NOSE OUT OF THE BUSHES WHILE THE SARRAGE IS ON!
LOCK UP YOUR GUERNSEYS FARMERS!

ROOTS AND HER BUDDIES

G'BYE! SEE YOU LATER, MA!
THERE IT IS, MONEY--COMPLETE WITH A G.I. MORTGAGE AND EVERYTHING!
YOU MEAN THIS IS OUR HOME, ROD? BUT YOU NEVER TOLD ME I LOVE IT!

FRECKLES AND HIS FRIENDS

AW, PLEASE LET US GO TO SLEEP!
NOT UNTIL YOU TELL US THE NAME OF THE SKITT CLUB RINGLEADER!
WE'RE GONNA KEEP YOU KIDS AWAKE ALL NIGHT IF NECESSARY, HO-HUM!
SSST! LOOK! THEY'RE FAST ASLEEP! WE'RE LASTED THEM!
YEAH! THEY'RE SURELY KNOCKING OFF THE SHUTEVE!
SOMETHING TELLS ME THAT THIS SITUATION IS RIFE WITH POSSIBILITIES!
ROGER!

By MERRILL BLOSSER

BRING YOOHOO HERE AND GET ALL THE STUFF YOU NEED!
OKAY! YOU TEST THE CHIEF FOR SOUND!
HEY, CHIEF, CAN YOU HEAR ME? ARE YOU FAST ASLEEP, OR ARE YOU GONNA WAKE UP AND SPOIL EVERYTHING?
LET'S PROCEED WITH THE FINAL TEST!
TSK-TSK! YOU SHOULDN'T SLEEP SO SOUNDLY, CHIEF--IT'S DANGEROUS!
I'VE MADE PRELIMINARY RECONNAISSANCE AND FOUND THE ENEMY COMPLETELY UNPREPARED!

By J. R. Williams

YE GODS! A MACHINE BELT CONDEMNED IN THE SHOP AGAIN! OH, I'LL NEVER LIE THROUGH THIS ONE--WE ALL HAVE ONLY COMPLEXIONS NOW!
HAH! THANK HEAVENS IM OF AGE JUST IN TIME AND I HEREBY DEY ANYONE TO MAKE WEAR A PAIR OF SHOES HALF-SOLED WITH A MACHINE SHOP!
THEY AIN'T BAD AFTER 'OL CHIL DRAINS OUTA THEM--COULDN'T YOU JERY 'OL BOLL IT OUT FIRST?
OH--GETTIN' TOO PROUD TO WEAR REPAIRED SHOES! BLUE-BLOODS, EH?

By EDGAR MARTIN

BUT I WONDER WHERE FUG WAS F I DIDNT SEE HER--SEE MARRIED!
AND DONT YOU FORGET IT! NOW WILL YOU TELL ME WHERE WE'RE GOING?

By MERRILL BLOSSER

YEP, THIS IS IT, BOOTS! WHERE JUST YOU AND I--TEE, HEE!
SOMETHING TELLS ME THAT THIS SITUATION IS RIFE WITH POSSIBILITIES!

Terms cash. F. E. Crosby, Arthur Scouten, Sparansburg, Auctioneer.

BRICKER CALLS FOR LIFTING OF CONTROLS

Greensburg, Oct. 4—(AP)—Former Governor John W. Bricker of Ohio declared in an address last night that wherever the Democratic party has been long entrenched, as in Washington, it cannot reshuffle its policies to serve the interests of the people as a whole.

Bricker, the Republican candidate for vice president in the last presidential election, spoke at a party rally in the Greensburg high school auditorium.

The former governor asked for a lifting of governmental controls. "Our boys are coming home," he said. "They did not fight to perpetuate bureaucracy. They should be welcomed back to jobs of their liking at good wages so they may enjoy comfortable happy lives."

"But industry cannot provide the jobs unless government spending and taxes are reduced. The proposed tax reduction is along the right road but it must go farther than that."

Federal Employees To Get Extra Holidays

Washington, Oct. 4—(AP)—President Truman today ordered the closing of federal offices on Mondays after New Year's day, Washington's birthday, Memorial Day, Independence Day or Christmas whenever those holidays fall on Sundays.

All employees of executive departments, independent agencies and government owned or government controlled corporations who would ordinarily be excused from work on any of the holidays if they occurred on a week day will be freed from work on the following Monday.

Conference To Outline Policy Is Suggested

(From Page One)
Some of the gloom which pervaded the last days of the conference seemed to have been dispelled, and the foreign ministers themselves all expressed optimism for the future.

The breaking up of the conference on the Soviet demand for exclusion of France and China from discussion of Balkan peace treaties showed clearly how the views of the Soviet differed from those of the western Allies.

Marie Tussaud, founder of the famous "Madame Tussaud Exhibition" of wax figures in London, modeled the heads of many of the prominent leaders and victims of the French Revolution.

Second Tilt Witnessed By Huge Throng

(From Page One)
Tigers took second on the throw in. Cavaretta rolled out to York unassisted at first. No runs, two hits, no errors, one left.

Tigers—Webb fled out to Lowrey in left field. Mayo also sent one out to Lowrey, who took it at about the 300-foot mark. Cramer rolled out, Johnson to Cavaretta. No runs, no hits, no errors, none left.

Second Inning
Cubs—Pafko popped up a high fly to Mayo, who went far back of second base to make the catch. Nicholson fled out to Cullenbine in short right field. Gillespie fled out to Mayo back of second base. No runs, no hits, no errors, none left.

Tigers—Greenberg sent a long fly to Pafko in center field. Cullenbine worked Wyse for a walk. The Cubs' finger getting only one pitch over the plate. York struck out, looking at three pitches that cut the heart of the dish. Outlaw lined a single into left, Cullenbine holding up at second. Richards rolled out, Hughes to Cavaretta. No runs, one hit, no errors, one left.

Third Inning
Cubs—Hughes bounced out, Mayo to York. Wyse fanned, swinging at Trucks' fast one. Hack rolled down into York at first base, and was safe when the Tigers got mixed up and Trucks failing to cover the sack and take York's toss. It was ruled a single. Johnson fanned swinging. No runs, one hit, no errors, one left.

Tigers—Trucks got a big hand from the stands when he came to bat. On the first pitch he rolled out, Johnson to Cavaretta. Webb fled out to Nicholson in right field. Mayo rolled out, Johnson to Cavaretta. No runs, no hits, no errors.

Fourth Inning
Cubs—Lowrey was an easy out, Webb to York. Trucks was very fast and his curve was breaking sharply. Cavaretta worked him for the full count and then rapped a double into right centerfield. It should have been only a single, but Cullenbine and Cramer became confused on which was going to handle the ball. Pafko sent a roller to short and was thrown out, Webb to York. Nicholson also singled sharply to right center, scoring Cavaretta with the first run of the game. Gillespie fled out to Cramer in center. One run, two hits, no errors, one left.

Tigers—Cramer whacked a single to center, fast fielding by Pafko depriving him of a double. Hack threw out Greenberg, Cramer reaching second on the play. It was not a sacrifice. Cullenbine drew a walk. York lined out to Pafko in center, the runners forced Cullenbine at second, Johnson to Hughes. No runs, one hit, no errors, two left.

Fifth Inning
Cubs—Trucks threw out Hughes at first. Wise rolled out, Webb to York. Hack rapped one out to centerfield and stretched it into a double. Johnson went out, Webb to York. No runs, one hit, no errors, two left.

Names of Two Soldiers From County Are On Casualty List

(From Page One)
Young Johnson, who was serving as a radio gunner on a B-24, was 23 years of age. He enlisted in the Air Corps shortly after the attack on Pearl Harbor, leaving early in January, 1942. Hospitalized for a minor injury, he missed being sent out with his original crew and had additional training with another before going overseas in June of this year.

He was a member of the United Brethren Sunday school in Youngsville and is listed on the church Honor Roll.

WPB Will Be Replaced By New Bureau

(From Page One)
It is expected to function as an arm of the Office of War Mobilization and Reconversion. OWMR will continue to fix reconversion policy.

An order formally organizing CPA and abolishing WPB already has been approved by Reconversion Director John W. Snyder. It was scheduled for announcement at Mr. Truman's news conference yesterday, but was held up for last minute minor changes.

CPA is slated to take over the few remaining industry controls on WPB's books when the agency folds.

The manufacture of poplin fabric is of French origin and was brought to England by the Huguenots.

Fifth Inning
Cubs—Trucks threw out Hughes at first. Wise rolled out, Webb to York. Hack rapped one out to centerfield and stretched it into a double. Johnson went out, Webb to

New Property Buyers to Wait For 6 Months

New purchasers of property in Erie and Warren Counties who wish to evict tenants for the purpose of their own use and occupancy must expect a waiting period of six months time from the date they file their petition for certificate of eviction. It was announced today by Frank S. Anderson, Area Rent Director. The decision was taken after consultation with officials of the Pittsburgh OPA District and officials of the Regional Office.

Anderson finds as a result of a survey of both Erie and Warren Counties that the housing situation is more acute than at any time since rent control began in 1942. The very large number of sales in recent years of single homes and homes having two flats has very materially reduced the total supply of flats and single homes now being rented to tenants. As a result, tenants facing eviction are increasingly finding it more and more difficult to secure a new home in three months' time and in many instances have been forced to purchase property at highly inflated values. Anderson indicated that at such time as there is evidence of a more normal housing situation the waiting period will again be three months.

The Area Rent Office indicated that the six month waiting period will not apply to a purchaser who has served in the armed force of the United States and requires possession of the accommodations for the adequate housing of himself and his family. The six months period will also be shortened in those cases in which it can be demonstrated that there are equivalent accommodations into which the tenant may move without substantial hardship or loss.

Anderson also called attention to a change in procedure in the eviction of tenants by landlords who wish to demolish the housing accommodation or who wish to do extensive remodeling or alteration as cannot practically be done with the tenant in occupancy. The new procedure requires the landlord to petition for a certificate of eviction and will give tenants of such accommodations an additional period in which they may find new homes. Anderson indicated that during the waiting period in this type of case may also be as much as six months, it was not the intention of the Area Rent Office to hold up unnecessarily any construction plans where no undue hardship was imposed on tenants.

The Area Rent Office also called attention to a new requirement that landlords who owned a dwelling prior to October 20, 1942 and who wish to move into it for their own use and occupancy must demonstrate an immediate compelling necessity to occupy such unit in order to make their notice to vacate a valid notice.

The period of time in which a new owner must file a Change of Identity of Landlord form with the Area Rent Office has been extended from ten to thirty days.

FACTS ABOUT FIRES

(By Fire Chief C. A. Albaugh)

Section 6 (a) (1) of the Regulation has also been amended so as to permit a landlord to demand that the tenant execute a removal lease for one year if the expiring lease was for a period in excess of three months and was not season in character. The new amendment will permit landlords to require new one year leases which will expire on the recognized leasing date where the previous lease was made during the off season to expire on such recognized leasing date.

Nearly 52,000,000 toothbrushes were shipped from United States factories during the first quarter of 1945.

The inhabitants of Sumerian Uruk as early as 3500 B. C., used drinking tubes three to four feet long to sip beverages from jars.

The week marking the anniversary of the great Chicago fire is the time chosen as fire prevention week, not as a 7-day period that just happens this time of year, and forgotten the next week, but to keep in mind, Fire Prevention throughout the year. We are trying to make America a safer place to live and to work. Fire Prevention Week falls in early October, about the time when we are thinking of putting the bridle on the old iron horse asleep in the basement, and starting him to work. We have had our activities cut down during the hot months, so there is a definite

need for awakening interest in Fire Prevention Week, and Public Safety immediately after the slack period. We are trying to modernize Fire Fighting, by using Fire Prevention methods, that is get rid of that, that causes fire. Fight fire with fire. Fight fire before it becomes a reality, don't be an "I guess it's all right", I guess it will be safe, or that collection has been dumped there a long time, and nothing has happened. I will remove it sometime. Don't be a guesser, or a staller, know and act, be sure.

Fire Prevention has earned a respected place, where every organization, every individual should cooperate with the Fire Department and make this campaign a real success. You have a large stake in Fire Prevention Week. You know that property burned by fire, is gone forever and our town is that much poorer in resources. Fire increases taxes, fire increases rents, fire creates shortages that raise prices, so we are all losers by this demon.

America was spared the destruction and blitz of those war-torn countries, yet in the last alone, fire destroyed more property than was ruined in England during the first two years of the

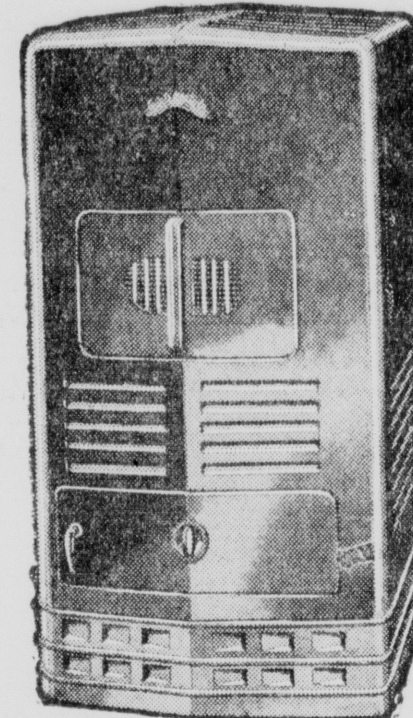

NEED HEAT THIS WINTER?

Today, more than ever before, you get more for your money in a genuine . . .

ESTATE HEATROLA

CABINET HEATER for COAL, COKE, WOOD

Why be satisfied with less than Estate Heatrola quality and Estate Heatrola performance? If you have several rooms or a whole house to heat, why be satisfied with a heater designed to heat only one or two rooms? Why put up with the discomfort of an ordinary radiant stove that broils your face while your back freezes—when you can enjoy the health and comfort of circulating warm air in a modern, handsome, porcelain-enameled cabinet heater?

Only the ESTATE HEATROLA has all these features

- Fuel-Saving Intense-Fire Air Duct
- Jointless ash box and paper-light ash-box door . . . for perfect fire control. You can hold fire for 50 hours on one charge of fuel.
- Closed base and slanting louvers to assure warm floors, freedom from drafts.

More heat from less coal

Only the genuine Estate Heatrola has the famous Intense-Fire Air Duct that traps heat, turns waste into warmth.

METZGER-WRIGHT Co

during the first two years of the German blitz. Ninety-eight percent of all fires are due to carelessness, negligence, in other words, some one is at fault.

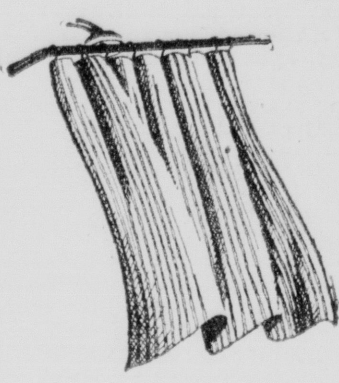

Are we ignorant of that which causes fire, of what to do, or what not to do, hazards we have we should not have, what we don't have we should have. For instance, what you should not have: A pile of collections that a fireman calls rubbish, that's a good place for a cigarette butt, spark or a match; a furnace pipe eaten through, or to close to the floor joists, ashes in wooden or paper boxes; a furnace that's all filled up with last winter's collections; a chimney that has not been cleaned this season and checked for defects; repairs should be made promptly. Make sure that no wood work is exposed to heat, or any other combustible material.

Keep paint and varnish cans sealed tight, paint rags and oily rags like rubbish, may ignite spontaneously, burn them if practical; or dispose of them in the garbage.

And here are a few things what to do. Keep ashes in covered metal screens. Replace weather worn screens. Replace weather worn roofs, with fire-resistant roofing. So that there are plenty of ash trays where smoking is permitted and each one are careful of their smok habits. Put matches in metal containers, out of the reach of children. Use a flash light instead of a match. Use great care with any inflammable liquid brought in the home for any purpose. Do not use any cleaning fluid. A correctly built fire needs no kerosene. Ask any boy scout. Replace all worn out electric

Chapter 22

SETH met Luke Hale near his office just as he was coming through the hotel after a late dinner with Wallis that evening. "I haven't seen you for days!" the manager exclaimed. "If you'll go in to my office, I'll join you for a nightcap. I've a bottle of Napoleon Brandy. Be with you in a few minutes."

"Fine," Seth returned heartily. Seth heard voices outside the office door. Luke Hale was angry. The other voice—Ramon's, Seth decided at once—was certainly placating.

The manager hurried in and swung impatiently around his desk while Ramon sauntered behind him and draped himself gracefully over a corner of it. Seth had to admit the fellow had a style all his own.

"Hi, Peabody," he greeted Seth casually. "I hear you and Gardner have been dating up the doctors around here today. Kind of late for that sort of thing, isn't it? Locking the door after the boss is stolen."

"Never mind now," Hale cut in abruptly. "I'm talking about you—not Putter."

"Maybe I better go," Seth half rose from his chair. "No, stay right where you are," the manager answered irritably. "This won't take long. He turned to the dancer. Tell me why you didn't see that orchestra leader in Miami this morning. I gave you the gas to get there and you come back with a verbal agreement—nothing signed. It won't do, I tell you, Delgado. Already Troop says you didn't offer him enough and the deal's off."

"I didn't have time to see him. He'll come through all right. Don't get excited. He's just trying to get more money."

"Well, why in God's name didn't you sign him up when you had the chance and stop all this nonsense."

"But Cobo called me to take over the Potter case—I flew back."

"I know all about that, too. You've made many night trips to Miami before this. You had plenty of time for some rest and an early breakfast. Troop's sore as a bull because he waited three hours for you and you didn't show. You never left Miami until after 12 o'clock this morning. What'd you do all morning?"

"Dios Mio! Troop's crazy! I had a puncture. I called and told him. He said everything was okay and he'd be over tomorrow night with his orchestra. Calm down, Boss. There's nothing to raise your blood pressure over."

"Where'd you have a puncture?" Seth caught a note of mounting curiosity in Hale's voice.

"On Snipe Key. Why?—Everybody has 'em these days. What's funny about that?" "Nothing. Skip it. Troop's giving you the Fuller brush off that's all, and unless you fix it up right away, I'll hold you responsible for the entertainment at this hotel until the end of the season. Think that one over, Goodnight."

As he slid off the desk, Seth saw the dancer's face. He looked worried.

"Okay, Boss." But he was no longer nonchalant, or casual. "I'll have the orchestra out here as scheduled by tomorrow night. I'm sorry Troop's made all this trouble. Be seeing you."

LUKE HALE rang for a waiter and gave him an order for two snifters to be brought to the office. Then he went to a locked cabinet where he took out a bottle which he brought back and placed with care on the desk in front of Seth.

"Looks like the real McCoy, doesn't it?" He peered down at the bottle, then handed it to Seth. He read its spotted and discolored label carefully.

"I'll say it does! But you don't want to open this tonight," Seth exclaimed. "This should celebrate some special occasion."

"I want that brandy now—I need it." Luke Hale's voice sounded exasperated. "Everything's gone wrong around here this weekend. Two murders. All these police investigations, and now Delgado gums up arrangements for the only orchestra available in Southern Florida. He may be fired over this. Because I can't stand lying, and he was lying like a horse thief just now."

"He lied about that puncture. I telephoned the garage where he put the car this afternoon, thinking he might have had car trouble, and they called me back and reported that nothing at all was wrong with the old jalopy. I asked especially about the tires. No, he was probably off seeing one of his numerous girl friends, thinking he had all the time in the world for Troop. Then he gets this unexpected call from Cobo and tries to do his business with Troop on the telephone before he leaves Miami. It won't work—that's all!"

Seth raised his glass and smiled at his host. "Sorry Old Man. We all seem to have our troubles."

Hale nodded. "Only there's too damned much of it around here to suit me!" Seth decided to retire early that evening. As he walked to his room a little later, he hoped a good sleep would help the heavy depression that was settling down upon him. As he opened the door of his room a sharp, penetrating fear made him hesitate. He had an instant conviction something was wrong.

Then he knew some one was crouching behind the door. He whirled instinctively, to ward off the intruder. In that instant something hit his head with terrific force and roaring blackness filled the world with sudden pain, wiping out all consciousness.

M'ARTHUR ORDERS IMPERIAL GOVERNMENT TO REMOVE ALL BARS TO FREEDOM OF SPEECH

Revolutionary Magna Carta Decreed by General Disbanding Brutal, Still-Active "Thought Police" and Release of Political Prisoners

OFFERS NO COMMENT ON NEW RUSSIAN DEMAND

Tokyo, Oct. 4.—(AP)—General MacArthur decreed a revolutionary magna carta for Japan today, ordering the imperial government to remove all bars to freedom of speech, religion and assembly, disband the brutal, still-active "thought police" and release their 3,000 political prisoners by October 10.

In a letter to the newly organized Japanese central liaison office, MacArthur told the imperial government bluntly and clearly to abolish legislation restricting freedom of the people.

The letter also demanded removal from office of Home Minister Iwano Yamazaki and chiefs of the Tokyo and Osaka metropolitan police boards and of the territorial police of Hokkaido.

MacArthur meanwhile offered no comment on Russia's demands for four-power control government to replace his rule in Japan.

The orders went out amid a rising clamor by Japanese for release of the prisoners arrested by the "thought police" for voicing ideas that weren't in agreement with the pre-surrender government.

The prisoners have been confined for years in fetid jails from the southeastern tip of Japan to the northernmost home island of Hokkaido, sometimes called "Japan's Siberia."

Tokyo newspapers in the past week reported the prison deaths of several of these political prisoners.

Yamazaki, who heads the "thought police," blandly denied any knowledge of the prisoners in an interview with the Associated Press today. He did admit that they were being especially vigilant against the Japanese daring to advocate "elimination of the imperial house, overthrow of the constitution, violence against Americans or the Japanese government."

The minister said his police were "not so harsh" as before the occupation, but that their methods of operation were unchanged from war and pre-war days.

Yamazaki explained in the interview that the home ministry's recent attempt to confiscate newspapers printing pictures of an interview with MacArthur was intended to "prevent possible repercussions among the people."

He acknowledged, however, that when pictures and interview did appear (Turn to Page Eleven)

Officers Elected By Civil War Vets

Columbus, O., Oct. 4.—(AP)—Hiram R. Gale, 99, of Seattle, Wash., today was elected national commander of the Grand Army of the Republic at the 79th national encampment.

John Grate, 100, of Atwater, O., Ohio department commander, was elected senior national vice commander, and Theodore A. Penland, 96, of Portland, Ore., was named junior vice commander. Grate will retain his Ohio post. Penland is the sole survivor of the Grand Army in his home state.

Robert M. Rownd, 101, of Ripley, N. Y., was re-elected chaplain. Fourteen of the white-haired union veterans at campfire ceremonies last night adopted a resolution asking six states along U. S. Route 66 to name the roadway the "Grand Army of the Republic Highway."

The governors of Pennsylvania, Illinois, Iowa, Nevada and Colorado will receive the request.

En route to Western Penitentiary with two other prisoners last January, Revy and his fellow convicts tried unsuccessfully to overpower their guards.

Revy's escape was discovered about ten minutes later, according to Dr. Thomas A. Rutherford, superintendent of the hospital.

Patient Fans Await Series Opener

(NEA Telephoto)
Despite the early morning chill, long lines of fans waited at bleacher entrance of Briggs Stadium, Detroit, for the chance to buy tickets to the opening game of the world series. Two blanket-clad boys, above, kill time by playing cards on the sidewalk.

Executive Request For Iron-Clad Control Over Atomic Energy Is Being Considered

Washington, Oct. 4.—(AP)—President Truman urged congressional leaders today to give speedy consideration to legislation for controlling atomic energy.

Democratic Leader Barkley (Ky.) said the legislative chieftains told Mr. Truman at a White House conference that bills carrying out the president's plan for establishment of a domestic control commission will be given a high priority.

But legislators made it plain at the same time that they want a hand in deciding how much to tell the rest of the world about the atomic bomb.

None disputed Mr. Truman's premise that the American people must "use the knowledge we have won, not for the devastation of war, but for the future welfare of humanity."

Some doubt was voiced, however, that his hope of outlawing the bomb as a weapon of war could be attained.

Mr. Truman separated the country's biggest enigma into home and abroad classifications in a message to congress.

He called first for creation of a presidentially-appointed commission to:

1. Control all mineral sources of atomic energy, plants and stockpiles.

2. Conduct all necessary research, experiments and operations on further development for "military, industrial, scientific or medical purposes."

3. Issue licenses for private operations based "upon a policy of widespread distribution of peaceful products on equitable terms which will prevent monopoly."

4. Permit production, import and export of energy producing substances only under conditions it prescribes.

5. Set up rules of censorship for information about materials and equipment under its jurisdiction.

Mr. Truman stressed that immediate action is necessary to preserve the nation's huge investment in brains and plants—the army of scientists assembled to work out the bomb and the plants in Washington and Tennessee where it was produced.

All of this sounded pretty reasonable to most congressmen.

But many found room for argument in the president's outline of his thinking along international lines.

He told his news conference he will have detailed recommendations (Turn to Page Thirteen)

WPB Will Be Replaced By New Bureau

Washington, Oct. 4.—(AP)—President Truman today signed an executive order abolishing the War Production Board and replacing it with a Civilian Production Administration, effective November 3.

Press Secretary Charles G. Ross said that WPB Chairman J. A. Krug was resigning, effective Nov. 3. When the Civilian Production Administration takes over under J. D. Small as administrator, Small is now chief of staff for the WPB.

The president's order sets up the Civilian Production Administration in the Office for Emergency Management.

(Turn to Page Thirteen)

SECOND TILT WITNESSED BY HUGE THROG

Tigers Call Upon Virgil Trucks, Fireballer Just Out of Navy, to Even Score With Cubs

WEATHER IS FAVORABLE

By GAYLE TALBOT
Briggs Stadium, Detroit, Oct. 4.—(AP)—Shut out 9 to 0 in yesterday's world series opener, the Detroit Tigers called upon Virgil Trucks, young fireballer just out of the navy, to pitch them back into the running in the second tilt with the Chicago Cubs before another throng of 55,000 here today.

On the hill for the victory-flushed Cubs was Hank Wyse, who hurled 22 winners in the National League campaign while losing 10.

Trucks made his only appearance on the last day of the American League race, when he held the St. Louis Browns to three hits in five and one-third innings.

Detroit stuck with its opening game line-up, but the Cubs used Paul Gillespie, a left-handed batter, in place of Mickey Livingston, who made two hits in yesterday's game.

The day was sunny and much less cold than yesterday, when players and spectators suffered. A stiff breeze was blowing away from the plate.

The rival managers today nominated Left Hander Stubby Overmire and Right Hander Claude Passeau as the respective Detroit Tiger and Chicago Cub hurlers for tomorrow's third game of the 1945 set.

Overmire, stumpy 26-year-old southpaw, wound up the regular season with a 5.00 average—9 won and 9 lost. Passeau won 17 and struck out 127 batters.

Although they were in the center field bleachers by 10 a. m., they were once over lightly from a pale but warm sun while they waited, and there was none of the castanet music from their collective chattering teeth that you could almost hear across the stadium yesterday.

Although they had slumped to 8 to 5 underdogs because of the 9-0 beating they absorbed in the opener, the Tigers were 5 to 6 choices to even it up today.

The line-ups:

Chicago: Hack, 3b; Johnson, 2b; May, 1b; Greenberg, cf; Cullenbine, rf; Nicholson, lf; Gillespie, c; Hughes, ss; Wyse, p.

Detroit: Webb, ss; May, 2b; Cramer, cf; Greenberg, lf; Cullenbine, rf; Nicholson, lf; Gillespie, c; Hughes, ss; Richards, 3b; Trucks, p.

Umpires—Plate, Jorda (NL); first base, Passarella (AL); second base, Conlan (NL); third base, Summers (AL).

The play by play follows:

First Inning
Cubs—Hack looked at a strike and then beat out a rap to Outlaw at third base.

The throw to first was in the dirt, but it was ruled a hit. Johnson sacrificed Hack to second, Rudy York making the play at first unassisted. Lowrey lined a single to Greenberg in left field and the big fellow made a perfect peg to Richards at the plate to nail Hack as he slid in. Lowrey (Turn to Page Thirteen)

Stackpole To Reorganize Penn'a Guard

Harrisburg, Oct. 4.—(AP)—Faced with "a million and one problems," Brig. Gen. E. J. Stackpole says he is already planning for the reorganization of the Pennsylvania National Guard, expected late next year.

The former commander of Pennsylvania's old 52nd Cavalry and 55th Infantry is on terminal leave after four and a half years' army service.

At his nearby Clark's Vaneys home, Stackpole said Governor Martin had instructed him "to develop plans so that when things settle down we'll be ready to go ahead."

The governor has been anticipating deactivation of his own old command, the "Red Keystone" 28th Division, but there has been no hint from the war department as to when that might take place.

"I'm more or less in the thinking and planning stage right now," General Stackpole told a reporter. "The size of the army will determine the size of the guard."

"I can't do very much until I know what the war department is going to allocate to Pennsylvania," Stackpole said he is going to Washington and Indianapolis Gap to sound out the situation.

Names of the casualties were withheld pending notification of the next of kin.

The Japanese dead and injured were working on the barge under American direction, the command reported, he said the cause of the explosion is not yet known.

American Is Killed When Barge Blows Up

Tokyo, Oct. 4.—(AP)—One American was killed in an explosion of an American ammunition-laden barge in Tokyo's inner harbor off Yokohama today. Three Americans and an unreported number of Japanese were injured.

Names of the casualties were withheld pending notification of the next of kin.

The Japanese dead and injured were working on the barge under American direction, the command reported, he said the cause of the explosion is not yet known.

New Altitude Record Of Over Nine Miles

Buffalo, N. Y., Oct. 4.—(AP)—The Bell jet propelled P-59 Aira-Comet has set unofficial American altitude records of more than nine miles. Bell Aircraft Corporation disclosed today with permission of the Air Technical Service Command.

The No. 1 YP-59, first production model of the Aira-Comet series, performed the feat almost two years ago, but the information was withheld until now for security reasons, a Bell statement said.

Paris, Oct. 4.—(AP)—Pierre Laval was expelled from the courtroom today during the first hours of the trial for his life and the presiding judge, Paul Mongbeaux, announced that the hearing would continue without the presence of the former chief of the Vichy government.

Laval's lawyers had walked out and the judge, jury and prosecutor shouted in unison at Laval's assertion at the tumultuous opening of his trial for treason that: "I am a patriot and I will prove it."

Though the white tied Laval lost his first skirmishes, he fought back hard and bitterly and prepared to act as his own attorney after his lawyers quit the courtroom, contending they had not had sufficient time to prepare their case or even access to the records.

Scorching words flew back and forth (Turn to Page Thirteen)

Pierre Laval Ousted From Court Room

Washington, Oct. 4.—(AP)—It's been a long wait, but John J. O'Connell of Pittsburgh now can be sworn in as a third circuit court judge.

The senate late yesterday confirmed his nomination.

It was about a year ago, that Pennsylvania Democratic leaders told O'Connell Allegheny county solicitor, he was their choice for a newly created position on the court, which has jurisdiction for Pennsylvania, New Jersey, Delaware and the Virgin Islands.

They said they had talked it over with President Roosevelt and the then Attorney General Francis Biddle and that everything was all set.

But President Roosevelt was busy with an election and a war and the nomination was made. Then Truman became president and there were more delays although the appointment still was regarded as "in the bag" for O'Connell.

Recently the nomination reached the senate and a judiciary committee approved it only to have the full judiciary committee hold it up.

Dispatch-Herald Has New Owners

Erie, Oct. 4.—(AP)—The 125-year-old Erie Dispatch-Herald today passed into the hands of new owners Kenneth D. Toill, veteran New York and Chicago newspaperman, and Edward Lamb, Toledo, O., attorney.

The newspaper was purchased from the Robert J. Virtue and Charles H. Strong estates.

Lamb will be president and co-publisher, and Toill will be editor.

Lamb is vice president of the National Lawyers Guild and a prominent member of the Ohio bar. He has been counsel for numerous railroad, industrial and utility cases of note, and counsel for trade unions. Toill has been managing editor of the Toledo Blade for four years and previously served as a news executive with the Columbus Dispatch and Ohio State Journal, at Columbus.

Toill was a New York reporter and news executive for several years, having been associated with the New York Sun, the Brooklyn Eagle and the New York American.

Names of the casualties were withheld pending notification of the next of kin.

The Japanese dead and injured were working on the barge under American direction, the command reported, he said the cause of the explosion is not yet known.

MOUNTING STRIFE ON LABOR ISSUES BRINGS TO NEW HIGH NUMBER OF IDLE DURING YEAR

New and Continuing Disputes Snarl Traffic Along Nation's Broad Industrial Front, Slowing Pace Of Reconversion Program

SHIPPING IN N. Y. HARBOR ALMOST PARALYZED

Washington, Oct. 4.—(AP)—President Truman today delayed temporarily the issuance of orders for government seizure of oil properties affected by a 15-state strike of CIO oil workers. Charles G. Ross, press secretary, first announced the orders would be released about noon, but shortly after that hour reported they would not be issued "for at least two hours." Officials of the Petroleum Administration for War, the agency which probably will be designated to carry out the refinery seizure, went to the White House this morning. PAW reported that 51 refineries are affected by the work stoppages. In addition, other plants are being picketed, although employees are not on strike. Operations are curtailed in the picketed refineries.

By The Associated Press
New and continuing disputes snarled traffic along the nation's broad labor front today, slowing the pace of the country's reconversion program.

The mounting strife over labor issues—most of them involving wages and hours—brought a new high in the number of idle this year. The more than 160 separate strikes, shutdowns and work stoppages kept more than a half million workers away from their jobs. Fresh stoppages threatened to greatly expand the strike lists.

As President Truman prepared to order seizure of oil refineries in 15 states after the government was unsuccessful in conciliation, labor department officials were confronted with serious trouble in eastern coal fields.

Shipping in New York harbor was partially paralyzed by a port-wide strike of 60,000 workers, including 46,000 AFL Longshoremen.

As the president's seizure order was awaited, the executive board of the CIO Oil Workers International Administration called a meeting to decide whether to ask the 43,000 strikers to go back to work for the government. In northern Indiana, where eight plants of seven companies have been closed, a union spokesman said the strike in that area will continue.

The union, demanding a 30 per cent wage increase, was agreeable to Secretary of Labor Schweinfach's temporary compromise of 15 per cent and naming of an arbitrator for final settlement. The offer, however, was not acceptable by 10 of the 11 oil companies and Schweinfach recommended seizure of the plants.

As the government's initial major attempt at a postwar labor settlement ended in failure, the shutdown of refineries brought tight gasoline situations to many communities, including Detroit, Boston and many cities in Ohio where an emergency oil committee said a "statewide crisis impends."

The shutdown of soft coal mines jumped to nearly 400 and the idle to about 115,000 in four states as additional thousands of miners joined in the spreading walkout, which stemmed from a strike of supervisory employees. The Solid Fuels Administration has placed 15 per cent and naming of an arbitrator for final settlement. The offer, however, was not acceptable by 10 of the 11 oil companies and Schweinfach recommended seizure of the plants.

Burgess Revives Zoning Body In Special Message to Council

Burgess Raymond Steber last evening presented to Town Council a special message to the formation of a live zoning commission in this city. He called attention to the fact that such a Commission was in existence, but that during the war it has been allowed to become lax and nothing was accomplished. He pointed out that such a Commission would keep property values at a high level and encourage building, and predicted that within a few months Warren would have a revival of store and home building, the greatest in years.

In his message to Council Burgess Steber said: Warren Borough Council, Warren, Pennsylvania, Gentlemen:

Now that the war has come to a successful conclusion and we can hope to return to a normal economy, I want to invite your attention to a matter which I think of paramount importance to the future of Warren and one in which I want to be on record. I refer to zoning laws.

Some years ago the president of Council appointed a Zoning Commission. Several meetings were held but nothing concrete was accomplished. During the war it was almost impossible to engage the highly specialized talent necessary to carry forward the project. Early this year President Waite appointed a new commission but, so far as I know, nothing has been done.

Warren, like most other cities, has in prospect the building of many new homes and places of business. And it is before we find ourselves in the midst of this that plans should be made. There are some sections of the borough where real estate values might be very seriously hurt by uncontrolled building. It is obvious that the home owners, who have built up the values and pay tax on substantial assessments, should not have those values destroyed, or seriously depreciated. They are entitled to some measure of protection on the values they have created.

There is, too, the selfish interest of the borough itself. Borough government and borough services are supported by taxes. The measure of the amount of these taxes and hence of the services possible to the citizens of Warren is the value of property. If these values are allowed to decline, either there must be less expended or the burden must be put upon other taxpayers.

Another aspect of this matter,

Warren has always been noted as an unusually attractive small city. In this all of us, I think, have taken a good deal of justifiable pride. But if building may run rampant, if unsuitable buildings may be erected wherever the personal advantage of the builder may dictate, that pride of ours will no longer be justified. Real estate values throughout the borough will suffer.

I would like to suggest, or rather to ask just as forcefully as I can, that the Council now give serious consideration to the matter of setting up an active Zoning Commission, to give the Commission the funds necessary for their work and then, when their report is made, to see to it that proper and sensible zoning laws are passed.

This is no small undertaking. Perhaps it should not be done until the new Council organizes at the first of the year. But I am bringing it to your attention now so that the councilmen who hold over in office and those who are re-elected can have it in mind as first order of business. In my mind, this is one of the most consequential matters to face you. Well done, it will result in permanent benefit to the beauty and the financial condition of Warren. Neglected, it can easily have an adverse effect upon property values and hence upon the quality of borough government you will be able to render.

Very truly yours,
R.W. Steber,
Chief Burgess.

SCHOOL AT KANE

Former Fire Chief D. G. Kropf is conducting a fire school at Kane for members of the Kane fire department. Another session was held last evening. There is a large enrollment and some valuable information is being given the Kane smokeaters.

OUT OF HOSPITAL

Friends of Virgil (Slip) King will be glad to know that he has served his time in the Warren General Hospital and is out again. While not as yet at his old at the airport he is recuperating in fine shape and will soon be tiptoeing among the clouds.

CAR IS STOLEN

Pennsylvania State Police here have been asked by Frank Ellis, sheriff of Forest county, to be on the lookout for a 1937 Ford sedan, maroon in color and bearing Pennsylvania license plate 9557-Y, stolen in Tionesta shortly after 11:30 p. m. Wednesday and believed headed up river.

HANDSOME OFFICE

Installation of a new office at the R. W. Norris Company store is almost complete. It will be one of the finest offices in the city, when complete with glass partitions, fluorescent lighting, an attractive mantle and a complement of fine furniture and furnishings. It will be occupied soon.

HAS NEW ENGINE

E. M. Satterlee, of Meadville spent some time in the city last week demonstrating a new automobile and airplane engine. It has no cooling system and burns a low grade gas without generating heat. Mr. Satterlee is enthusiastic over his engine and is endeavoring to interest some Warren capital in his invention which has won much favor among government officials.

HAVING FINE TRIP

Letters received by friends of Mr. and Mrs. Forest Waite report that the couple is enjoying an excellent trip. The letters were written from Gulfport, Miss., and stated that 1600 miles had been covered with an average of 175 miles per day. Weather had been fair and the trailer used is becoming more and more like home every day. Regards were sent to all Warren friends.

Council Planning New Fire Stations In the Near Future

Chairman Miller, of the City Building committee of the town council set things in motion last evening which will ultimately result in two new fire stations in Warren. Mr. Miller commented on the fact that the Central Fire Station is dilapidated, plaster is loose and ceilings so high that heating is a problem. The station of Engine Company No. 2 was also commented upon as being poorly arranged for the purpose and councilmen were asked to visit both stations and investigate before the next Council meeting.

Mr. Miller in his statement to Council said that an offer of \$5500 had been made by a responsible party for the old Central Fire Station and that in his opinion it should be sold. This was echoed by others of the councilmen who were familiar with the situation. Construction of a new Central Fire station would call for expenditure of \$20,000, at least, as it would have to be a two story structure well equipped for the

comfort of the men with sleeping and dining facilities, as well as space for trucks, etc.

When queried as to a possible site for the building Mr. Miller suggested the property just north of the Baird Tire Shop as being desirable due to its location and the fact that Market street is broad and would allow good egress from the stationhouse.

It was finally moved that the Councilmen do a little looking around for a possible site before the next meeting and come prepared to take some action.

Station No. 2 is old and too small and ill arranged for a fire station and a station on the East Side arranged somewhat like the new station in the Fourth Ward for Engine Company No. 3 was suggested.

During the discussion it was also drawn to the attention of the Town Council that some new equipment will soon be needed by the department as some of the trucks are of ancient vintage.

Refineries In Area Involved In Disputes

(Special)
Oil City, Oct. 4.—The national strike of the oil workers which to date had by-passed this section of the country is now confronting all users of gasoline and oil products from the local refineries in the district as the result of a decision of Local No. 455, International Oil Workers, CIO, to strike at 7 a. m. Friday.

Following a meeting of the local strike committee yesterday afternoon, W. R. Wonsettler, international representative of the union said that unless the case between the union and companies was settled in the meantime, operations at the Pennzoil company plants and the James B. Berry Sons, Inc., independent plant would cease at the above time.

The union representative again repeated that the union will make every effort to keep doctors, ambulances, fire trucks and others essential users of gasoline supplied during the work stoppage period.

The local workers are seeking what amounts to a 30 per cent. increase in pay, the same goal as the national organization. They are asking the same take-home pay for a 40-hour week in cases where the plants were operated on a 48-hour week during the war or a 30 per cent. increase in wages where the plants were operated on a 40-hour basis during the war.

Yesterday's action followed a strike vote held Tuesday by the members of the local at which time the workers voted 280 to 19 to strike in support of the national demands. Workers at the Emblenton plant of the Quaker State Refining company also voted to strike and previous to that similar action had been taken by the workers at the Cities Service plant in Titusville.

Chairman W. T. Corbett Is Give Achievement Award

Chairman Wylie T. Corbett, of the Warren County Salvage Committee, who for all of about six weeks, served during the World

War II, has received a Certificate of Achievement from the State Salvage chairman, Colley S. Baker. This is the third award which Mr. Corbett has received, one of them coming from Washington, D. C. These awards are merited as no other salvage chairman in the entire state has achieved the results that Mr. Corbett has secured in winning the cooperation of all residents of the county.

The award is in the shape of a parchment suitably inscribed and signed by the state heads that wrought so well during the war.

In a letter accompanying the certificate Mr. Baker said:

Dear Mr. Corbett: In recognition of outstanding services rendered by you in behalf of the volunteer war salvage program in Pennsylvania, it gives me a great deal of pleasure to present to you the enclosed Certificate of Achievement.

It has given me a great deal of pleasure to have worked with you in this long and strenuous campaign which contributed so much to our nation's victory over our enemies.

In the first six months of 1945, the United States shipped \$275,000,000 worth of food and other agricultural products to the United Kingdom.

Violation Of Court Order Alleged Here

Deputy Sheriff Sanford Secor and State Patrolman Les Fobes yesterday placed Mrs. Esther D. Morley and Robert W. Morley, of Sugar Grove RD under arrest at the request of New York state authorities. The charge made by the New York information was kidnapping. The pair were brought to Warren and later sent to Jamestown.

It is alleged that Mrs. Morley is the mother of a girl child Lucille Pratt, 8 or 9 years of age and that the girl was under the jurisdiction of New York state courts. Mrs. Morley went to Jamestown, picked the girl up on the street and brought her to Pennsylvania. In this state it is merely a violation of a court order.

Deputy Sheriff Secor also located Julia Mae Jensen, of Lottsville at the home of her grandmother at Brookston and reported the fact to the girls mother as he had no authority to pick up the girl who had been missing from her home for some days. The girl's mother brought the girl to Warren and she is being held in the detention room for further action.

LOTTSVILLE

Lottsville, Oct. 2.—Raymond Dillenbeck has gone to visit relatives at Beloit, Wis.

Thursday evening, Mr. and Mrs. Ralph Flick and children of Meadville were calling on her parents, Mr. and Mrs. Del Clark.

Ralph Dyke was on a business trip through Ohio and attended the saddle horse sale at Greenville, on his way home.

T. S. Baker is on a business trip to Cleveland and other points.

Stella Rebekah Lodge No. 239 had election of officers Thursday evening, also put of degree work, taking in one new member, Miss Lillie and two members of Bear Lake lodge went in for initiation, visitors present from Lakewood, N. Y., and Bear Lake lodges.

A committee of three from Bear Lake and three from Lottsville served ice cream and cake. Gifts were presented to those having birthdays and anniversaries through the month of September, all seemed to have an enjoyable time.

Cpl. and Mrs. N. T. Constantine of Camp Dupont, Wilmington, Del., and Mrs. Erma Jacobson of Los Angeles, California, were guests Saturday of Mr. and Mrs. Robt. Scott.

Friends of Mrs. Dillenbeck will be sorry to hear she is ill. Mr. and Mrs. Earl Wilson entertained at a Sunday dinner his

mother and father, Mr. and Mrs. Chas. Wilson of Bear Lake and brother and wife, Mr. and Mrs. Clyde Wilson of Niobe, N. Y. The dinner was in honor of Mr. and Mrs. Chas. Wilson, each having birthdays only a few days apart. Mrs. Wilson being 84 years and Mr. Wilson 88 years.

Mrs. R. E. Dyke spent a day last week with her sister, Julia Green, of Kersey, Pa. Visitors at the home of Mr. and Mrs. James Fitzgerald Sunday were his father and mother, Mr. and Mrs. Sid Fitzgerald and Mrs. Dee Drayer and son, all of Warren.

In Guatemala and British Honduras there is a species of turkey whose plumage vies in splendor with that of the peacock. The bare skin of the head is blue.

HOW ABOUT NAZIS ON BULL HILL?

October issue of the Pennsylvania War Fund news bulletin of organized activities throughout the State for the final National War Fund appeal includes this reference to Japanese embassy officialdom quartered by the government in Bedford:

"From Bedford county comes this story of whether tapping a definitely new source of prospective contributions to the National War Fund might be diplomatically permissible, financially productive or just not worth bothering about. The problem was propounded—so the story goes—during a discussion among some of the campaign leaders homeward bound the other evening after a strategy session, in which it had been generally agreed that every possible 'prospect' should be approached if the goal is to be gained. It was when the needs of various agencies of the national program, particularly War Prisoners Aid, United Seamen's Service and Relief for China and the Philippines were broached that one of the county leaders inquired:

"Look. To make our quota we can't afford to skip anybody, right?"

"Right!"

"Okay. Then how about putting it up to the Jap silk-hat lads residing in our midst?"

"Could be, mebbe," another dubiously offered. "and anyway it would give 'em another chance to say 'so sorry'—and how!"

PREWAR DOLLARS

It may be that what this country needs is not so much an industrial wage scale of 52 hours' pay for 40 hours' work as a 40-hour week paid straight time at the current scale, but in 1939 dollars. Those dollars' greater purchasing power would just about make the 30 per cent straight-time increase that the unions are demanding.

Naturally, a return to the prewar cost of living would mean abundant, competitive mass production of necessary goods, which in turn would mean abundant jobs. That isn't a goal to be achieved overnight. But at least it seems like a goal worth shooting for. And it's at least worth considering against a program of continuing pay boosts which in time would certainly lift prices with it, and which hold the ultimate prospect of one's carrying his weekly pay home in a wheelbarrow.

GOOD INVESTMENT IN HEALTH

"Now is the time for potatoes to appear often on the family table. With the potato crop expected to be larger than last year, there's no need to skimp on this good vegetable," says Miss Lydia Tarrant, extension nutrition specialist of The State College.

Potatoes are a good investment in health and energy as well as flavor. They contain vitamin C and thiamin or B-one and are rich in starch. Persons who avoid potatoes because they are reducing deprive themselves of valuable nourishment. It isn't so much the potato, as the other foods served with the potato, that build unwanted fat, the specialist points out. One medium-sized potato has about 100 calories, the same number that an orange or a banana contains.

To keep potatoes at their tastiest and best, prepare and cook them quickly, advises Miss Tarrant. Time the meal so the potatoes come off the stove and onto the table without waiting.

Cook potatoes with their packets on if you want to serve potatoes in their most healthful form. Cooking them in their skins retains the greatest food value. As you must peel potatoes, make the peels as thin as possible. Don't let potatoes soak in water, but peel them just before cooking.

With the U. S. Army ready to spend nearly \$300,000 in development of recreational area on the Tionesta Dam reservoir, Warren must get busy or be left watching the cars roll by on their way to areas where wide-awake boosters have developed playgrounds. R. F. Hemingway has told of the needs in this area to draw thousands of visitors to the Allegheny National Forest and opportunity seems to be knocking at the door of private capital that could be used in building camps, cottages and small hotels in the woods areas.

Pennsylvania's Senators and Representatives should hear "from home" relative to appropriations for developments in the Allegheny Forest areas.

U. S., Britain and Russia will divide the remnants of the German fleet. If any other country would like a few ships, they can be found at the bottom of the deep, blue sea.

"Ammunition, Ammunition, Please!"

Washington Gossip

By HAROLD WARD
(Jack Stinnett Is Ill)

WASHINGTON—The nation's new labor trouble shooter is a husky, 42-year-old native of Pittsburgh, where the steel and coal industries have seen bitter labor-management clashes.

Edgar L. Warren, who took over as director of the U. S. conciliation service under the recent Labor Department shuffle, demonstrated his organizational ability as chairman of the Kansas City and Chicago regional War Labor Boards.

In Chicago he handled more cases than any other of the board's 12 regions. Working in his shirtsleeves, the greying Warren took over personal direction of several of the toughest labor disputes in the Chicago area—including the city-wide truck strike which resulted in Army intervention.

While there he also had to combat a virtual management sitdown strike over board directives. Employers refused for a while to abide by WLB orders.

The reorganization work Warren performed in Kansas City will serve him well in his new job—revamping and bolstering the conciliation service, which now numbers 250 commissioners.

Secretary of Labor Schwelienbach, telling reporters of Warren's appointment, said the conciliation service during the war had been forced into the role of a "mere certifying agency" for

the War Labor Board. That is, the conciliation service certified that there was a dispute, and WLB settled it.

SCHWELIENBACH laughingly admitted that Warren's Missouri family background "didn't seem to be a handicap" in his selection for the job. President Truman also is a Missourian.

Neither was it a drawback to Warren when he was appointed chairman of the Kansas City board. The national WLB then was trying to find a man at least familiar with local Kansas City problems. It found him in Warren, who was then assistant director of the wage stabilization division of the board in Washington.

Warren, it was discovered, had been graduated from Kemper Military School, Booneville, Mo., founded by his grandfather, Fredrick T. Kemper. His father, William R. Warren, was editor of the World Call and the Christian Evangelist of St. Louis, periodicals of the Christian Church.

After graduation from Bethany (W. Va.) College and taking graduate work at Harvard Business School and Brookings Institution, Warren became an economist for the Ralston-Purina Co. in St. Louis, remaining there for seven years. In 1933 he came to Washington as an economist for the Agriculture Department, and in 1938 went over to the Labor Department's wages and hours division. He jumped from there to the WLB in 1942.

Fifty-two weeks do not make a year; they total only 364 days.

YEARS AGO IN WARREN

Interesting Items Taken From The Warren Evening Times

In 1925

The October third edition of the Morning Mirror was dedicated to the twenty-fifth anniversary of the Mirror and Evening Times and so the opening of the new home of the Times-Mirror.

C. F. Larson, furniture dealer at 20 Conewango avenue has on display a very fine collection of the most modern furniture. An added attraction is a free gift to all adult accompanied children.

Governor Gifford Pinchot has notified directors of the Warren State Hospital that he will come to Warren to inspect the hospital, which is hailed as one of the finest insane institutions in the state.

In 1935

Mrs. Albert Rockwell and Miss Barbara Dennison have received the Peterson trophy, to be held for one year, through their winning the bridge contest at the state meeting in Reading.

K. J. Bjers, manager, and Nels Anderson, both of the Warren Baking Company, voted against an increase in the price of bread which was proposed at a Pennsylvania-New York bakers' meeting.

State police have again started a campaign to enforce the use of a tail-light on all bicycles ridden at night. The local officers state that too many accidents can occur if the bicycle has no rear light.

High winds caused considerable damage here. An apple tree near the Hickory street bridge was felled, littered the streets and sidewalks with apples, and many telephone poles were knocked down.

Demolition bombs used by aircraft on missions to level bridges weighing 4000 pounds or more. From a plane, a bridge is difficult to hit exactly—the heavier the bomb the greater the chance of wrecking at least part of it.

Everybody reads the Times-Mirror.

From where I sit ... by Joe Marsh

Americans have a word for it

Bill Larkin's boy, who's back from overseas for good, was telling us about the funny customs and the different languages of European countries.

One thing he noticed is that in so many of those countries there is no word for "home," "House," yes ... or "building." But no name that stands for what we mean when we say home. "In spite of the fact," says Bill, "that it's the most important thing there is ... a place where you can take your shoes

off and let down your hair ... enjoy a glass of beer before the fire and relax with folks you love!"

From where I sit, that may be an important difference between this country and some others. The conception of home as a place of tolerance and sacred loyalties—where differences of habit and opinion give way before love and understanding! Yes, we Americans have a name for it!

Seals Ready For Overseas Service Mail

For the convenience of relatives and friends sending holiday packages overseas, Christmas Seals may be obtained at the seal sale headquarters of the Warren County Tuberculosis Society, 810 Pennsylvania Ave., east, according to an announcement made today by H. M. Mohr, 1945 seal sale chairman.

The seals will not be distributed generally until November 19, he reports, but have been made available at this time for use of service men's mail.

"We have had requests," he said "for seals to put on overseas mail and we are glad to provide them for Christmas packages to the boys and girls away from home."

"Christmas Seals as an American tradition show our men abroad that we are not letting down health standards at home but are fighting to keep the dread disease, tuberculosis, under control in our communities."

In announcing the mailing plan for the 1945 holidays, the post office points out that the task is more complicated because of the cessation of hostilities and the redeployment of men and women. Mail gifts may be sent overseas from September 15 to October 15 without the written request of the recipient. A total of 82,000,000 Christmas packages were sent to military personnel overseas last year.

Crater of the "Grand Slam" bomb, a 22,000-pounder used by the Allies during the war, was more than 120 feet across. It was used mainly against railroad and marshalling yards.

Indian Run Again Given Attention of Councilmen

Indian Run, perennial subject over a long term of years for the members of the Town Council, was again in the limelight last evening. The Sewer Committee reported that the Warren County Dairy was anxious to have the run put into 45-inch sewer pipes and placed underground. Mr. Klinefelter had been in consultation with officials of the dairy company and presented an agreement whereby the dairy company pay \$1000, or one-half of the cost of the installation if it was less than \$2000. Council discussed the matter at some length and it was finally agreed to pass the resolution with an amendment the dairy company pay one-half of all construction costs and one-half of the maintenance for all time.

The special committee presented a report in which it was stated that due to heavy expenditures facing the borough in the near future the purchase of the mill pond and race at this time is not deemed advisable. But suggestion was made that parking lots be looked for by councilmen.

The street committee also reported unfavorably against the vacation and sale of Chestnut street to the Struthers Wells Corporation.

216 LIBERTY ST. WARREN, PA.

The Finance Committee presented bills amounting to \$32,181.07, which will be paid when approved by the proper committees. Balances in the various funds were also reported as follows: General, \$110,996.90; permanent street, \$820.77; sewers, \$252.27, overdrawn; sinking fund, \$3,150.37; park, \$927.91.

An ordinance for the laying of approximately 150 feet of sewer lines on Monroe street was passed on third reading. This will care for some new building in that section of the city.

The police last month had 86 calls, with \$72.25 fines and \$19.75 back fines were collected.

Firemen made a record with 11 calls answered with a loss of \$100.

Burgess Steber reported the collection of \$104 in special licenses. Need of school lights for the Home street and St. Joseph's schools was discussed and referred to the police committee.

The scales netted the borough \$20.40 for the past month and airport \$64.95.

The sidewalk on Bradley street was reported in bad shape and will be given the once-over by the sidewalk committee.

The Public Service Committee was empowered to make a new contract with the Pennsylvania Electric Company for street lighting.

Resignation of Forest Waite was received and accepted with regret, and C. P. DeLong was elected as a member of Council to fill the vacancy.

Burgess Steber made some suggestions relative to the movement of explosives through the city and also commented upon the purchase of OGD materials for resale to the State Hospital, North Warren, and the United Refinery.

A resolution on the death of C. T. Conarro, long a member of the Park Commission, will be prepared and a copy spread upon the minutes and one sent to his family.

President Patchen announced that Carter Rowland will be the new chairman of the street committee and that Steve Kuhre was made a member of the committee.

BARNES

Barnes, Oct. 2—A number of our young people attended the Youth Fellowship meeting held at the Methodist church in Sheffield, Sunday evening.

Mr. and Mrs. Donald MacMartin and son, Teddy, of Corry and Mrs. Bette Clark of Erie, spent the week end visiting their mother, Mrs. F. J. Titus.

Friends in this vicinity will be interested to know that 1st. Lt. Dorothy Wagner Brown has received her honorable discharge from the U. S. Army Nursing Corp and has joined her husband, 1st. Lt. Archie Brown, now stationed at Parris Island.

Mr. and Mrs. H. S. Roberts motored to Erie, Saturday, where they were guests until Monday at the home of Mr. and Mrs. Roy Barnes and family.

Where Do You Stand On Tooling?

TO HELP YOU PRODUCE—we will design dies, jigs, tools and even special machinery for you. We have a small but well equipped tool room and machine shop and are prepared to handle:

Lathe Work—to 21" dia. and 5' long
Shaper Work—12" x 20"

Catholic Women Completing Plans For Social Events

Plans for several activities of the near future came before the membership of Court Warren, 834 Catholic Daughters of America, in its regular meeting in the K. of C. clubrooms on Wednesday evening. The senior regent, Mrs. W. E. Cooney, presided.

Plans were completed for a Halloween party to be held in the clubrooms at 8 p. m. on Wednesday, October 24. All members are cordially invited and a large attendance is anticipated. Mrs. Albert Schwartz, Mrs. Matthew Boya and Miss Josephine Massa are in charge of arrangements for the affair.

Announcement was made that plans are also well under way for the court's annual birthday party to be held in November, the details to be made known later.

To conclude the evening, refreshments were served by a committee headed by Mrs. A. Guffre, Jr., Mrs. Joseph Mastrian and Miss Sylvia Lucia.

Women of Moose Plan To Observe 23rd Anniversary

November 3 will mark the 23rd anniversary of Warren Chapter, 693, Women of the Moose, and plans are well under way for observance of the event. It was announced at the regular meeting of the chapter, held last evening, that a dinner will be given to honor all charter members. Other details will be announced later.

Senior Regent Mary Kirberger was in charge last evening, when attendance awards were made to Hilda Anderson and Mabel Crimpenshaw, and the Chapter Night program of Allie Laufenberger, alumni chairman, was given.

Plans were continued for sending cookies to the American soldiers at the Bull Hill camp on October 9, and it was stated that candy bars and gum will still be accepted at the next meeting, October 17, for the box to be sent to Moosehaven.

Social Events

**BOOSTER NIGHT
AT WARREN GRANGE**
Warren Grangers enjoyed a Booster Night in the IOOF hall last evening, with a largely attended dinner. Following the regular business session, time was occupied with playing bridge, five hundred and shuffleboard, together with dancing. Much credit is due Gertie Johnson and her committee for their fine arrangements for the evening.

Plans are under way for a Halloween masquerade party to be held in conjunction with the next regular meeting.

**MANY PRESENT
TO HEAR CHIEF**
Last evening a good sized audience for the first evening heard Chief White Feather sing several gospel messages to classical tunes at Calvary Baptist church. In the message "Wake Up, America", he brought forth several timely warnings for the churches of today. This evening he will speak on "Let Me Tell Your Fortune", and will give several numbers in song. In the first part of the service he will discuss some phases of the life of the American Indian.

**MAY R. STONE CLASS
TUESDAY ON MONDAY**
Members of the May R. Stone class of the First Presbyterian church will meet Monday evening, October 8, at six o'clock for a turkey dinner at the summer cottage of Mrs. Victor Offerle, Jackson Run road. The committee will serve coffee, cream, rolls and dessert. Anyone wishing transportation is asked to call 2139 or 595-R, and all members are reminded to bring their gifts for auction.

**JOHNSON AND KRIEG
RIFES ARE LEARNED**
Announcement is made today of the marriage of Miss Lucille Krieg, of Cleveland, O., and Rudolph Johnson, son of Mrs. Carl Johnson, 8 Verbeck street, this city. The ceremony was performed on Saturday, September 29, in Cleveland, where the newlyweds will make their home.

SERVING SUPPER
The United Brethren Ladies Aid of Cable Hollow announces it will serve a Harvest Supper in its church house on Friday evening of this week, the hours to be from 5:30 to 8:00.

ENGAGEMENT TOLD
Mr. and Mrs. R. E. Kridler announce the engagement of their daughter, Marion, to 1st Lt. John E. Edwards, U. S. Army Medical Corps. No date has been set for the wedding.

QUAINTANCE CLASS
The Quaintance Class of First Baptist church will hold its monthly meeting Friday night, October

Miss Rita Manfrey is seen on the South Side Bridge wearing a Judy 'n' Jill dress. It features the single inverted pleated skirt and quality tailoring. It is priced at 17.99.

Distinguished Visitors

Agnes Wesselmann, of Buffalo, N. Y., who will preside at the all-day sessions of the Zonta conference here on Saturday, is serving her second term as chairman of Region A, District III, of Zonta International, classified service club of N. Y. Graduate of Columbia and the Brooklyn School of Law of St. Lawrence University, she holds both bachelor and master of laws degrees.

Carolyn B. Dissoway, who comes from Mincola, N. Y., and is Zonta International's chairman of District III, is an attorney specializing in probate law. In addition to her private practice, she is village attorney for Baxter Estates, Port Washington, N. Y.

Author of a number of articles on law and community topics, her interests are wide and varied. She is a deputy attorney general and deputy district attorney; has served as president of the Woman's Bar Association and in several capacities in the Federation of Women's Clubs. In 1942 she received the outstanding achievement award from the Business and Professional Women's Clubs. She has traveled in every state of the Union, in Mexico and Canada, and in many European countries. She has served as president of the Long Island Zonta Club and has held various offices in the international organization during the past ten years. She is the mother of a son in the Pacific theatre and of a daughter who is a student at the University of Syracuse.

5, in the church. The social committee will be composed of Mr. and Mrs. Elton Waite, Mr. and Mrs. Charles Farrell and Mr. and Mrs. Chris Peterson. O. A. Albaugh will have charge of devotions.

DANCING CLASSES

WAKE UP
YOUR DIGESTION
BELOW THE BELT

Without Stomach Relievers

This Kind of Laxative Help Often

Needed When Lower Sluggishness

Causes Gassy, Bloating Misery

When most food leaves the stomach, it is

by no means fully digested. It is in the 23

feet or more of intestines that the greater

part of digestion is done. When we get

constipated these later stages of digestion

often slow down. Then food is apt to fer-

ment and decay excessively in the bowels.

As a result we may feel full of gassy bloating

and other indigestion misery. That's

when you need Beecham's Pills. They work

to relieve this congestion of waste and en-

courage the welcome elimination which

helps promote better digestion below the

belt. Ask your druggist for gentle, ali-vege-

table Beecham's Pills today. Caution: Use

only as directed. 25¢.

Personal Paragraphs

Frank Barton, of Russell, employed by Walker and Slawson, injured his right hand yesterday when he caught it in a saw. He was treated at Warren General Hospital for multiple lacerations to the third and fourth fingers and discharged from the institution.

Lt. Hamilton Webster and Mrs. Webster are spending a few days in Warren with the latter's parents, Mr. and Mrs. R. W. Steber, Fifth avenue. They expect to

leave soon for Dayton, O., where they will make their home.

W. E. Gilson, of Pleasant Fields Horse Farm, has returned from Lexington, Ky., where he attended the fall trots and standard breed sales.

SOCIETY

LOCAL STUDENTS
"AT HOME" GUESTS

Saratoga Springs, N. Y., Oct. 4.—President and Mrs. Henry T. Moore held an At Home at the President's House September 29 for this year's group of entering students at Skidmore College, which numbers 327. Among the guests were Sara W. Armstrong, daughter of Mr. and Mrs. Thomas L. Armstrong, 207 Fourth avenue, and Joan L. Beyer, daughter of Mr. and Mrs. Clair J. Beyer, Home street, Warren.

WCSB MEETING AT
GRACE METHODIST

WCSB members of Grace Methodist church will meet at 7:45 p. m. Friday in the Winger room of the church. Rev. Donald Irwin, pastor of First Presbyterian church at Kane, will be the guest speaker. He will be accompanied by his wife, who will also speak and will show a number of interesting articles brought from China. All members and interested persons are urged to be on hand to hear and greet the visitors.

PETER BOHREN
STARTS STUDIES

Peter Bohren, son of Mr. and Mrs. Peter Bohren, 15 Dartmouth street, has begun classes at Albright College at Reading as a member of the freshman class. Dean George W. Walton announces. A graduate of Warren High School's Class of 1945, Bohren is a science student at Albright. In high school, he was active in orchestra, band, Student Council and the Hi-Y Club.

BARBARA KAY IN
CHOIR PERSONNEL

Miss Barbara Kay, daughter of Mr. and Mrs. H. M. Kay and sophomore at Lake Erie College at Painesville, O., has been chosen from the highly competitive tryouts as a member of the College Choir for a second year.

CHE-LE-CHA CLUB

Members of the Che-Le-Cha Club will meet at eight o'clock Friday evening at the home of Mrs. John Carlson, Cobham Park Road. All members are requested to be present.

P. T. A. News

PLEASANT UNIT

Members of the Pleasant P. T. A. met Tuesday evening at the school house. Mrs. Alice Kitzinger, the new president, opened the meeting. Following the business meeting, group singing led by Miss Eaton was enjoyed. Joyce Beebe was at the piano. Interesting travel pictures were shown the group by Vance Weld. The attendance award went to Miss Farr's room. To conclude the evening, a delightful lunch was served.

Other new officers, besides Mrs. Kitzinger, are: Vice president, Mrs. Evelyn Genberg; secretary, Mrs. Marie McGarry; treasurer, Mrs. Ruth Woodruff; program chairman, Mrs. Suzie Beebe; finance committee, Mrs. Margie Lindsey, Mr. Rockwell and Mr. Morrow; hostess, Mrs. Rose Mazzuca; refreshments, Mrs. Lemmon; magazine chairman, Mrs. Lois Yeagle; membership chairman, Mrs. Ida Yeagle; publicity chairman, Mrs. Bernice Rieder.

Announcement was made that there will be a pie social at the next meeting, the first Tuesday in November, to raise funds for a hot plate.

Grange News

SUPPER-MEETING
OF PLEASANT GRANGE

A twelve dinner-birthday party will be held by Pleasant Grange on Friday evening, beginning at 6:30 o'clock. Each one attending is asked to bring his own dishes and rolls, in addition to a turkey, meat to be provided by the committee.

Personal Paragraphs

Mr. and Mrs. Alfred P. Kitchen, of Philadelphia, are spending the week at the home of the late Mrs. J. W. Kitchen, 313 East street.

The many friends of Miss Mary Ruth Carlson, student nurse at the Millard Filmore Hospital in Buffalo, will be pleased to learn that she is recovering satisfactorily from an operation performed Tuesday. She is expected home on Saturday to spend some time with her parents, Mr. and Mrs. John Carlson, Cobham Park Road.

SHEFFIELD NEWS

Sheffield, Oct. 2.—The W. S. C. S. held their meeting in the church parlors Tuesday afternoon with a very good attendance. The meeting was opened by the president, Mrs. W. O. Christenson. The devotion was in charge of Miss Clara Dunham, and with Mrs. Maude Chamberlain giving the lesson study, using as her topic, "Women in the Working World."

Mrs. Whitaker gave a report on the recent rummage sale, and Mrs. W. H. Rawson gave a report on the church repairs. The W. S. C. S. conference of the Jamestown district will be held in Cattaraugus, N. Y., October 23.

The society has planned a cafeteria supper in the latter part of the month. Refreshments were served by Mrs. Wayne Chamberlain and her committee.

Mrs. Hilda Reed was presented with gifts from the ladies as a recognition of her services to the church.

CLUB MEETING

A joint meeting of the Garden Club, Progressive Club and the Sheffield Women's Club was held last evening in the dining room of the Ruth M. Smith Home. The meeting was very well attended by the club members and a very pleasant evening was enjoyed. Mrs. A. M. Gibson extended the greetings to the clubs and introduced W. B. Ward, who explained about the supervision and care of forests, and with F. L. Rudolph showing movies on "Conservation of Forests and Wild Life," which proved to be very amusing, educational and of great value.

The room was decorated with lovely flowers and the centerpiece for the tea table was arranged by Mrs. Gertrude Brown. Pouring at the table were the presidents of the clubs.

PERSONALS

Friends will be pleased to learn that Mrs. Dave Mainwaring and Mrs. Charles Anderson are at home after being patients at the Hamot Hospital at Erie.

Mr. and Mrs. Edward Anundson,

of Erie, were weekend guests of Mr. and Mrs. A. D. Bramer over the weekend.

Mrs. Marge McKillip, Miss Betty Loomis and Russell Olson were Titusville visitors Sunday.

Sgt. Nicholas Hecel is home on a 45-day furlough, having spent the past two years in the European area.

Mrs. Monroe Blodgett and sons spent the weekend with the former's parents, Rev. and Mrs. Chitester, at Youngsville.

Everybody reads the Times-Mirror.

MEMENTO OF TRIP

Henry Peterson and son, Allen, of Warren RD 1, are home after two weeks hunting in northern Ontario, Canada, the latter bringing with him for mounting the head of a moose which he shot during the trip.

KEEP LEAVES OFF STREETS

Persons about town who are busy raking up leaves blown down by the high winds are warned not to rake them onto the pavements. Leaves should be piled between the curb and sidewalk where they will be picked up by the borough truck. Leaves placed on the pavement are carried into the catch basins and clog the sewers.

50 YEARS A RAILROADER

John Anderson of Oil City, a native of Tidoute, was retired on October 1, after 50 years of service with the P. R. R. and its predecessors. For 40 years he has been an engineer. He began as a boy working with the section crew with his father near Tidoute. His wife is the former Genevieve Mitchell of Garland and they have four daughters.

CEILING ON WASHERS

The Office of Price Administration fixed dollars and cents ceiling prices for new washing machines and ironers. They range from \$29.95 to \$199.95, depending on quality and also partly on where in the United States they are sold. In New York, New Jersey, Pennsylvania, Delaware and Ohio, retail prices will range from \$29.95 to \$189.95.

AT CONFERENCE

Rev. P. Elmer Landerdahl, representing the Warren County Ministerial Association, left last night for Washington, D. C., to attend a national Zionist conference, which will seek to find relief for the suffering Jews in Europe. Of these, 110,000 are now stranded in concentration camps, and it is especially hoped that the doors of Palestine may be opened for them.

IN PENITENTIARY

Architect Karl Morrison, of Erie, convicted at a trial before Judge Allison Wade, of this county, in Erie county court is now in the Western Penitentiary having surrendered Monday afternoon. A candid camera picture taken in the Erie county court room shows Morrison on a cot as he claimed to have a leg injury. In the picture taken and printed by the Erie Dispatch Judge Wade, Clerk of Courts Evelyn B. Wilson and Morrison's attorney, Attorney Wilbur Seabrook are shown.

WARN MERCHANTS

Business organizations in nearby cities are issuing a warning to all merchants to beware of turning over accounts to an Ohio concern which is engaging in the collection business and hires home town agents under a plan that is said to result in a fraud. The home town agents are not held to blame for the fraud and is said not to develop until after they have begun their work and have accomplished some collections. Merchants are urged to depend upon known agencies for this service and to beware of solicitation by inexperienced persons who may have been retained in different communities by the concern.

TIDIOUTE

Tidoute, Oct. 2—A musical will be sponsored by the young ladies of Miss Ida Siggins Sunday school class Tuesday October 9th at 8 p. m. in the church parlors. There will be talent from Warren and Tidoute. Everyone is invited. An offering will be taken. Private Karl Grettenberger writes from Denver, Colorado, that he and Sgt. Garwood Lodge met there and had a long visit. Both these Tidoute men are stationed at Lowry Field.

Lieut. (j.g.) F. R. Kapp spent a few days in Tidoute with his parents Mr. and Mrs. F. E. Kapp. Lieut. F. E. Kapp has received orders N.A.T.S. Asia to leave San Francisco Oct. 8th. Mr. and Mrs. Kapp accompanied Dick to Cleveland Wednesday where he takes plane for San Francisco.

First meeting of Fortnightly Club enjoyed a tureen dinner at the home of Mrs. George Konkin. In spite of the heavy rain there was a good turn out. Music was furnished by the music committee. By laws by Mrs. H. R. Hawkey.

The Altar Society of St. John's church met on Tuesday at the home of Mrs. John Follett. After the business meeting games were played and dainty refreshments were served.

Rally Day was observed in the Presbyterian Sunday school Sunday Sept. 30th at 11 a. m. The church held its harvest service. The young peoples choir (the Choristers) sang. The sermon was delivered by Dr. W. Prout, "The Harvest of Hope". Cadet Nurse Beverly Grettenberger is spending the month of October with her parents.

Miss Marilyn Zwald of Warren spent the weekend with her grand-

tal. Her name will be Barbara Joice.

Barnes

Marshall Cook, "Tosh" received his honorable discharge at Portsmouth, Va., Thursday afternoon. He is now in Washington, D. C. where he expects to be employed on the police force. Mrs. Cook and their little son, Marshall Edward, arrived here Friday evening for a visit with his parents, Mr. and Mrs. B. S. Cook. Other week end guests at the Cook home were Mrs. Leon Roberts and children, Bruce and Beverly, of Erie. Miss Lois Jeffords, a nurse at the Elizabeth Steele Magee Hospital in Pittsburgh, spent the week end visiting her parents, Mr. and Mrs. C. E. Jeffords.

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste

If you have an excess of acids in your blood, your 15 miles of kidney tubes may be overworked. The tiny filters and tubes are working day and night to help Nature rid your system of excess acids and poisonous waste. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatoid pains, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Kidneys may need help the same as bowels, so ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Lamp Fired Farm House On Miller Hill

Firemen at the Central station last night at 10:03 had a caller, Robert Covell, of Miller Hill. Mr. Covell informed the boys that his house was ablaze and that he needed the fire trucks. The firemen pulled out with the emergency trucks and were treated to a demonstration of what good use one of the stirrup pumps such as the government gave out for bomb fighting can be put.

A lamp had been left sitting on a window sill and the heat from the lamp set the wall ablaze. It burned into the studding and to the upper floors of the home. A neighbor with a stirrup pump went to work on the blaze. He was given assistance and kept the pump tank full and managed to hold the fire from spreading too badly until the firemen arrived. They used chemical extinguishers and the booster tank.

The loss will be considerable as studding over quite a large area was burned and charred. The firemen had the fire all out and returned to the station at 11:06.

Mechanics of the department working on the ground system on the territory east of the Times-Mirror office this morning tapped the alarm bell at the Central station, but there was no fire. The fire alarm cables have been carefully checked but the ground so far has eluded the men.

Fire Chief Albaugh yesterday completed the distribution of much literature urging observance of Fire Prevention Week, October 7 to 13.

Kiwanis Club Has Invitation

Rev. Wayne Furman, First Methodist minister, was speaker for the Wednesday luncheon-meeting of the Kiwanis Club, held at the Hotel Carver. Basing his remarks on one of Ida Tarbell's writings, "I Knew Lincoln", he told in character of the little store in Illinois where Lincoln used to sit and dream of his becoming famous or occupying the first chair in the land. Then, as Lincoln, he told of the visit of the storekeeper to the White House, "without any axe to grind and just to see an old friend and neighbor."

Announcement was made at this meeting that local Kiwanians and their wives have been invited and will be represented at the 10th birthday of the Kane Kiwanis Club, to be held on October 29 in the form of a Ladies' Night. Since the Warren Club was sponsor and organizer of this nearby unit, it is likely the attendance from here will be sizeable.

Only guest at yesterday's meeting was Kiwanian Joe Galbo, of Kane.

BIRTHS

New Collection of Memorial Books At the Public Library

The latest group of memorial books to be placed on display at the Warren public library will be released on Saturday morning, October 6th, at 9 o'clock. Each group of books is held for display for a week before being relaid.

In this week's display are two more titles which have been added to the Anna Mary Huling collection. They are The Birth of America by John James Audubon, and The Bird Book by Nellie Blanchard.

Two more books have also been added to the Hilda Wood Jacobs memorial group. They are Shakespear and The Actors, by Arthur Coby Sprague, and How to Cook, by Marjorie Griffin.

Covers and Casts by William J. Schaldach, Field Sports and Angling in Words and Pictures has been presented in memory of John Driscoll. The Great Answer by Margaret Lee Runbeck has been added to the memorial collection honoring Private Clair A. Ward.

Miss Mae Moran, deceased principal of South Street school, has been honored with the presentation of The Index to Fairy Tales, Myths and Legends by Mary Huse Eastman.

Personal Paragraphs

David W. Beaty III has arrived in Warren from Miami, Fla., to spend a few days with his wife and daughter and parents. He recently arrived in this country from Brazil, and expects to return to Rio de Janeiro soon.

Mrs. Robert H. Jackson of Washington, D. C., is visiting at the home of Mr. and Mrs. John L. Blair, 105 East street. Her husband, United States Supreme Court Justice Robert H. Jackson, is in Europe representing the United States as chief prosecutor of Nazi war criminals at trials to be held in Nuremberg, Germany this fall.

Warren County United War Fund

With only 10 days remaining before Warren County United War Fund opens its campaign for \$88,700 Chairman Edward W. Johnson reports that his organization will be ready to call on the thousands who will contribute to the fund during the campaign dates, October 15 to October 22nd. Much preliminary work has been done and the ground well laid for the success of the undertaking.

Mr. Johnson has surrounded himself with an organization which he claims is second to none. Calling on many of those who so successfully assisted him in previous years he is pleased to announce the personnel of his many committees as at present constituted. Pointing out that some chairmen and captains still have to report their committee or team members he stated that Division "A" under H. W. Conarro, Chester S. Allen, and H. N. Elmquist have enlisted: T. L. Armstrong, Don Conaway, T. K. Creal, H. R. Fisher, R. E. Dunham, H. J. Harvey, B. W. Kaapp, and E. C. Walker; and these men are already at work on their important task of securing cooperation from the larger firms in the Borough and County.

E. H. Ley and B. V. Lesser have the task of getting subscriptions from the commercial firms in the borough and have completed their organization which as follows: Albert L. Rasmussen, captain, M. A. Connelly, Andrew Nelson, Elmer Lundahl, Guy Eddis, and H. B. Meacham, team members. George S. Frantz, captain, N. W. Drake, E. G. Garber, W. A. Greenlee, Guy McKinley, and Homer Mohr, team members. E. E. Kieshauser, captain, H. L. Banghart, Wm. Canton, Wm. Lutz, Robert A. Armstrong, Wm. E. Yeager, and Walter T. Kiser, team members. G. G. Lind, captain, P. E. Harrington, Mike Blech, M. E. Jewell, Ray W. Steber, R. R. Radspringer, and George F. Wholeben, team members. A. H. Templeton, captain, L. A. Branch, C. W. Anderson, A. L. Langdon, A. H. Bengtson, and R. F. Dietrich, team members.

Mrs. Richard G. Dawson has six section chairmen who in turn have signed up five captains each. The captains will get five team mem-

bers each, making a body of one hundred and eighty-seven women who have agreed to see that everybody in Warren will have the opportunity to contribute. The section chairmen and their captains are: Section 1, Mrs. Melvin Allgren, chairman, Mrs. W. F. Cannon Jr., Mrs. E. J. Weigle, Mrs. A. F. Dunham, Mrs. G. T. Peterson, Miss Sunny Lucia captains. Section 2, Mrs. Frank Tammerine, chairman, Mrs. Donald M. Kinander, Mrs. Frank Scallise, and Miss Frances Schimmelfeng captains. Section 3, Mrs. Harold Blair, chairman, Mrs. Brackett Ayers, Mrs. Wm. Glassman, Mrs. Lyle Knapp, Mrs. J. B. Leidig, Mrs. D. E. McComas, Margaret Whitcomb and Mrs. Carl Lundahl captains. Section 4, Mrs. Arthur J. McDonald, chairman, Mrs. C. H. Rowland, Mrs. Fred Wood, Mrs. Roy Kerr, Mrs. Albert Ristau, and Mrs. Frank Smith. Section 5, Mrs. Randall W. Clark, chairman, Mrs. Lyle Knapp, Mrs. J. B. Leidig, Mrs. D. E. McComas, Margaret Whitcomb and Mrs. Carl Lundahl captains. Section 6, Mrs. Guilford C. Jones, chairman, Mrs. L. M. Schaeffer, Mrs. E. W. Koebley, Mrs. Donald Finley, Mrs. P. A. Davidson, and Mrs. Donald C. Smith captains.

L. F. Morlock is ready to go to work with the chain stores and National firm division and expects to equal if not exceed his previous successes.

John G. Rossman will have his usual smooth working group who will take care of the Governmental and school employees. His aides are: Federal, R. F. Hemmingsway; State, T. H. Milenius; County, Donald Schuler; Borough, C. W. Barwis; Schools, John G. Rossman; County Schools, Roy L. Blair.

DOG HIT BY CAR

A cocker spaniel dog bearing license 396 was hit by a car in the 600 block on Conowingo avenue and injured about the rear legs. It was taken to the police station last night and an effort will be made to locate the owners as it is evidently a valuable dog and a household pet. The police last night also spent some time in a hunt for a girl but without avail. The search was made at the request of the girl's mother.

Police Here Enroll With Other Officers

Warren police are enrolling with other officers from this vicinity in a refresher course at a police school to be conducted here by Chief Harry Hill of Ridgway. Chief Hill has recently been graduated from the FBI School at Washington, D. C., and will bring to the men the latest ideas in law enforcement and crime detection. The course will open on Wednesday October 10 and will be held each Wednesday evening until completed. In all there will be 72 hours of instruction and the school promises to attract many officers from this entire section. It is a far cry from the old days when police merely twirled their night sticks and gave the "hot foot" to drunks to the officer of today who is trained in the handling of various situations that may arise in police work. The automobile has brought many changes both in the commission of crime and in the escape of criminals and this will all be encompassed in the instruction at the school.

COLE HILL

Cole Hill, Oct. 2—Mr. and Mrs. Seth Holmes and children Marion, Alice and Gordon of the Garland-Torpedo road and Miss Louise Brooks of Pittsfield attended the Wesleyan Methodist conference at Stoneboro last Sunday, Sept. 23.

Wells Hannah of Vowinkie was visiting his daughter Mrs. Oren Eastman Sunday.

The lime for which the farmers signed through the soil conservation is now being delivered.

Fay Woodard was on the hill shoeing horses Friday. Mr. Woodard has recovered from his illness and can shoe horses again.

Sunday guests at the home of Mr. and Mrs. Chas. Camp were Mr. and Mrs. Wilbur Camp and daughter Judy of Clymer, N. Y. Mr. and Mrs. Glenn Schell and children, Forest, Jack and Glenna Jean of the Garland-Torpedo road.

Warren shoppers this week were Mr. and Mrs. Willis Wentworth.

Lullaby at 3 a. m.

LATE at night they were brought in... the wounded from Iwo Jima. In no time at all, the little hospital at Johnson Island was jammed with men in pain.

The trip had been tough. Tough on shattered bodies... tough on shattered nerves. The men were fretful... wakeful... some were sobbing and moaning.

Something had to be done. A young doctor had an idea... there were some U.S.O. Camp Shows entertainers billeted nearby. Perhaps they could help.

Awakened at 3 a.m., still drowsy-eyed, the girls came into the hospital room and began to sing... softly. At first their voices could hardly be heard at all as they sang lullabies. Then, like a wonderful medicine, the music began to take effect. Taut nerves relaxed. Heads sank deeper into pillows. The tense atmosphere eased.

And the wounded slept.

In areas across the world in

hospitals at home...hardworking U.S.O. people are trying to make life more livable for American servicemen. Your gifts to your Community War Fund have made this work possible. Your gifts have also brought desperately needed aid to the homeless and helpless in the war-torn lands of our allies. You have aided merchant mariners, far from home. Here in America, you have helped keep down juvenile delinquency, provided aid for the families of servicemen.

Please don't stop helping now! The need is greater than ever before. GIVE AGAIN to your Community War Fund. Give from the bottom of your heart... as much as you can!

Give generously to

Mr. and Mrs. Glenn Eastman and daughter Marion of this place. Mrs. Seth Holmes and Miss Marion Holmes of the Garland-Torpedo road.

Miss Nellie Wentworth attended the birthday party for Mrs. Ethel Preble at her home near Corry Sunday. Dan Houghwot of Russell and Miss Evangeline Merry of Corry also had a birthday on Sunday and were honored at the party. A chicken dinner and birthday cakes were served at noon. The following guests were present: Mr. and Mrs. Dan Houghwot, Russell; Mrs. Jack Lockwood and sons Willie and John; Mrs. Archie Lockwood, Cuba, N. Y.; Mr. and Mrs. Lyle Merry and children Evangeline, James and Joyce and Misses Doris and Florence Sandeen, Corry.

Mrs. Lillian Belnap of Hydetown and Mrs. Ernest Martin were visiting Mr. and Mrs. Frank Martin at Garland Saturday.

Mr. and Mrs. Walter Covell and daughter Doris of Warren were visiting Mr. and Mrs. Chas. Camp Saturday. Mr. Covell and daughter Doris left Sunday evening for Los Angeles, Calif., where he will

visit his sister, Mrs. Lillian Brown.

We had a slight frost Saturday evening but the tomato vines were not killed.

CHURCH REVIVALS

CHRISTIAN AND MISSIONARY ALLIANCE

Request Night will be observed at 7:45 this evening at the Christian and Missionary Alliance church, 705 Conewango avenue, when Evangelist and Mrs. E. D. Anderson and their daughter, Margaret, will honor requests for vocal and instrumental numbers. Those who have not yet made their requests for numbers may do so by calling 1559-W before the hour of the service.

Last evening a rousing song service was interspersed with solos and duets, also a number on the trombone. Following the musical program, Rev. Anderson brought a stirring message on "Something Worse Than Death." Friday evening will be the closing service of the Andersons' present visit to Warren.

Round-the-World Flight To End Tonight In Washington

(From Page One)

utes. It has been an experience that nobody who made the trip regrets—and none appear any the worse. (ATC's chief surgeon, who turned the plane into a laboratory, testing all eight passengers for fatigue and reactions to altitude fully expected to have illness on his hands. The worst cases he had to treat were a couple of colds.) It seemed early to observers aboard, and it probably was known to ATC officers, that the flight could be made in less than the specified 151 hours. There was some question on Monday and Tuesday, due to delays on the ground but the flight was put back on schedule and kept there on the long jump from Kwajalein to Honolulu, and then on to San Francisco.

Fifteen released American prisoners of war and two emergency cases were aboard the Globelster on the Hawaii-San Francisco leg in addition to the regular passengers and crew.

Mounting Strife Over Labor Issues Bring To New High Number of Idle During Year

(From Page One)

an embargo on shipping from producers in the affected areas—Pennsylvania, hardest hit; West Virginia, Ohio and Kentucky. Emergency coal rationing was in effect in Pittsburgh, where a survey showed less than 1,000 tons in retail yards. The dispute arose over collective bargaining recognition of the supervisory employees union, an affiliate of the United Mine Workers. The work stoppage in New York harbor came after the New York district council of the AFL International Longshoremen's Association had agreed Tuesday to accept terms of a new contract from the New York Shipping Association. It provided a 40 hour work week, pay hike but made no mention of limitation of lift loads, which was the cause of an earlier dispute.

In Detroit, General Motors Corp. was the first of the motor industry's big three to give the CIO United Automobile Workers union a reply on its demand of a 30 per cent wage rate boost. The proposal was rejected as "unreasonable." The union said negotiations would be resumed Saturday.

A strike vote involving GM's 325,000 employees is set for Oct. 24 and the UAW-CIO will vote on a Chrysler Corp. strike on Oct. 25 with some 80,000 workers involved. It also has petitioned for a strike vote at Ford Motors, which employs 109,000. The wage demand is the paramount issue.

There were no immediate indications the strike vote of 250,000 independent union telephone operators would not be conducted as announced from 2 to 6 p. m. (E. St. T.) Friday.

Joseph Beirne, president of the union, National Federation of Telephone Workers, said union of-

icials were "finding it difficult to restrain thousands of workers from immediately going on a full time strike."

The vote will disrupt local and long distant service and may affect radio broadcasts and teletype systems, but service on dial telephones will not be affected. The vote is to be conducted as a demonstration of union strength and in protest to a National Labor Relations Board trial examiner's findings that a key unit of the NFW was company-dominated and should be dissolved.

M'Arthur Orders Imperial Government To Remove All Bars to Freedom of Speech

(From Page One)

on the streets by order of MacArthur "there was no reaction at all."

Yamazaki seemed unimpressed by the fact that the Potsdam conference guaranteed the Japanese people the right to select the kind of government they desired.

He said that he felt that it was a main duty of the home ministry to prevent any expression against the imperial house. The "thought police" were particularly vigilant against Leftists or Communists, he said, "because they advocate elimination of the imperial house."

MacArthur's five-page letter to the Japanese government was read to correspondents by Col. Ken R. Ryke, chief of the Allied command's civil information and education service.

It said in effect that the people of Japan are to be allowed to say what they think—including expressions about the emperor, worship as they choose, hold meetings as they desire, and not be fearful that the police will throw them into prison.

Headquarters approved the appointment of Kenji Kodama as president of the Japanese liaison office. It virtually completed the reorganization of that key agency through which MacArthur operated.

The CIO, before it was reorganized, was considered subservient to the old clique in the Japanese office which took MacArthur's orders and parceled them out for execution.

Today more than 2,000 Japanese, availing themselves of the MacArthur-ordered freedom of speech, went in a drizzling rain to Hibuya public hall and listened to a series of talks on Japan's possible place in a peacetime world. Many students and members of Japan's middle class were in the audience.

Dr. Toyohiko Kagawa, social reformer, said Japan's energies now can be turned toward invention and construction activities. He said Nippon's future depended on ability to choose just leaders.

The newspaper Asahi today estimated that Japan will have 4,770,000 unemployed after demobilization of servicemen and war plant workers and the repatriation of overseas Japanese.

Opium poppies grown in Turkey are almost wholly exported for medicinal uses, principally to Holland.

Everybody reads the Times-Mirror.

(From Page One)
Furnaces also will shut down, the company said.

A spokesman for the Carnegie-Illinois Steel Co. said it had enough coal to keep its Chicago area plant operating at 90 per cent of capacity for three weeks. Those No. 1 coal mines were down in Illinois.

In the Pittsburgh industrial area, where a large share of the world's soft coal is dug and where the strike hit first domestic consumers found themselves facing winter with scant fuel supplies.

SPORT NEWS

Chicubs' 9-0 Win Reflects Young Players Against Old Men; Bettors Reverse Odds

By CID FEDER
Detroit, Oct. 2.—(P)—If the Detroit Tigers show up today, the Chicago Cubs take them on again in the second game of the 1945 World Series, but it will be a long piece before the folks forget the "ice water" hand Andy Parko must use for blood and the watermelon-sized heart of Hank Borowy has kicking for him.

Out of the shambles left of the American League series hopes after the clouting Cubs practically beat the Bengals' brains out for that 9-0 decision in yesterday's opener, these two factors stand out—these and the Man O' War speed of the Cubs' glue, compared to the general glue-footedness of the old men of Detroit.

Incidentally, this glue-footedness of the Detroiters in general and out-

SERIES PLAY-BY-PLAY

First Inning
Cubs—Hank looked at a ball and then batted out, Outlaw to York, on a snappy play by the Tiger third baseman, Johnson scratched a single through the box and stole second as Lowrey swung at a second strike. Lowrey flew out to short center. Cavarretta beat out a hit to second base, Johnson taking third on the play. Johnson scored on a passed ball, Parko was purposely walked. Nicholson pounded a triple off the rightfield wall, scoring Cavarretta and Parko. Livingston singled over second, scoring Nicholson. Livingston was thrown out stealing. Richards to Webb. Four runs, four hits, no errors, none left.

Second Inning
Cubs—Hughes looked at a called third strike. Borowy also struck out, swinging. Hack was Newhouse's third straight victim as he missed a wide curve on his third swing. The crowd gave the Tiger pitcher a big hand as he strolled to the dugout. No runs, no hits, no errors, none left.

Third Inning
Cubs—Johnson drove a long liner to centerfield that was good for two bases when it bounced off Cramer's glove after the veteran had made a hard try. It was ruled a hit. Lowrey sacrificed. Johnson to third, going out. Newhouse to York. Cavarretta looped a single to center, scoring Johnson. Parko drove a double to the wall in left centerfield, scoring Cavarretta. Nicholson popped out to Mayo at second. Livingston singled to center, scoring Parko, and that was enough for Newhouse. Big Al Benton replaced the southpaw in the box for the Tigers. The Cubs had made seven runs and eight hits off Newhouse in two and two-thirds innings. Livingston was thrown out trying to steal. Richards to Mayo. Three runs, four hits, no errors, none left.

Fourth Inning
Cubs—Hughes flew out to Cramer in center. Borowy struck out, swinging at Benton's sharp curve. Hack beat out a roller toward third base, Benton's throw just failing to nail him. Johnson went out, Outlaw to York. No runs, no hits, no errors, one left.

Fifth Inning
Cubs—The veteran right-hander Jim Tobin went in to pitch for the Tigers. Lowrey bounced out, Webb to York. Tobin took Cavarretta's roller and threw him out. Nicholson fouled out to Richards behind the plate. No runs, one hit, no errors, one left.

Sixth Inning
Cubs—Livingston flew out to Cramer in center. Hughes worked Tobin for a walk on five pitches. Borowy sacrificed him, the play going from Outlaw to Mayo, who covered first base. Hack was out, Mayo to York, on an easy roller. No runs, no hits, no errors, one left.

Seventh Inning
Webb went far back into left to take Johnson's fly. Lowrey flew out to Cramer. Cavarretta smashed a home run off a stanchion at about the 350-foot line in throw from Parko to Hack. Cullenbine flew out to Parko in center. No runs, two hits, no errors, one left.

Eighth Inning
Cubs—Johnson fouled out to Richards. Lowrey was out, Outlaw to York. Cavarretta walked on four straight balls. Parko fouled out to Outlaw near the Tigers' dugout.

Ninth Inning
Cubs—Johnson fouled out to Richards. Lowrey was out, Outlaw to York. Cavarretta walked on four straight balls. Parko fouled out to Outlaw near the Tigers' dugout.

BEHIND THE LINES

The Detroit Tigers' pitching star of the past two American League campaigns has learned the woes of frustration. Left-hander Hal Newhouse, winner of 25 games in the hectic '45 flag race but 9-0 loser to Chicago in the series opener, came up with this answer. "I simply didn't know how to pitch to them, they're all new to me." "Newhouse, batted out of the box only seven times in his 36 starts against American League hitting, served up base hits to exactly half the 16 Cub batters who faced him in the 2 2/3 innings he pitched yesterday. But today's story may be somewhat different, for Virgil "Five" Trucks, the guy who got the call from O'Neill this afternoon, has pitched against the first game winners. Says Trucks, "I pitched against 'em a year ago while I was at Great Lakes (Naval Training Station) and got a line on what they don't like."

Aside from the baseball picture momentarily, when and if the proposed war memorial stadium is built, backers can count on a small contribution from the State Postwar Planning Commission. Throughout Pennsylvania, some \$48,000,000 of public works of all kinds are being proposed. One million dollars of this total has been appropriated to the commission for distribution equally among the planners. In other words, for every dollar spent in engineering and planning fees, two cents will be paid by the commission. This money will not go to the construction cost, but only to the planning costs. If the local stadium engineering costs were to be \$5,000, the commission would pay \$100 of the amount.

Exactly seven weeks from to last night for his mother, sister

morrow night, you will get your first glimpse of the 1946 Drag on basketball in action on the Boaty court. On Friday, November 30, basketball makes its official opening here, incidentally one of the earliest starting dates here for many years. Next Monday, many of the prospective varsity men will lumber up at the High School gym, with J. H. Meesa supervising practices which will begin November 12.

The column still sticks by Detroit to wind up the series on the long end. If you will recall the 1935 series, the Cubs also won the first game then, but fell completely.

Series Notes: Connie Mack, 82-year-old boss of the Philadelphia Athletics, asserted that Borowy did not pitch a good game. "Borowy was in trouble the first six innings and only superlative work by Andy Parko and Phil Cavarretta saved him," declared the dignified old maestro of the A's. "I still have faith in the Tigers."

Steve O'Neill, the keeper of the Tigers, shied away from pointing out a tide-turning play. "You can't do that when the score is 9-0 against you," he scowled. "We simply got a bad game out of our system. Maybe Virgil Trucks will give them more trouble than Hal Newhouse."

Bill (Deacon) McKee, whose Cincinnati Reds were choice out-ins of the Cubs all season, is getting a last laugh in the series. "Clear up, Steve," he told O'Neill. "You've only lost one game to those guys. They beat us 21 times."

Borowy held a "victory" dinner in a small, side-street restaurant last night for his mother, sister

BOWLING

CONEWANGO LEAGUE
The Unknowns, paced by Wayne Heimbrecht's 223 single and Hugh Robertson's 509 total, opened their season with a three-point victory over Monty McClure's crew last night in Conewango Club action. Heimbrecht also hit a 505 total, but for the losing McClures. Hank Fisher's 182 high single and 612 total scores were not sufficient.

No matches are scheduled tonight, but tomorrow night Pettibone tangle with Reeds.

Unknowns . . . 843 835 773-2450
McClures . . . 507 818 790-2415

ELKS LEAGUE
Turner Radio and Meads Machines respectively took over the Nine-O Garage and Geracinos last night in Ellis League matches toward the top. Fritz Kieshauser set the mark for his Turner crew, turning in a 180 single score and 514 total, while for the losers, R. Dentler hit a 181 single and Hoagvall totaled 491. In the other match, Barney Malone came to top form by smashing in a 193 single and 555 total for his winners. Meads' Anderson's 185 single and 437 total were high for Geracinos.

Turner Radio . . . 778 797 788-2363

Terms cash. F. E. Crosby, Arthur Scouten, Sparsburg, Auctioneer.

BRICKER CALLS FOR LIFTING OF CONTROLS
Greensburg, Oct. 4.—(AP)—Former Governor John W. Bricker of Ohio declared in an address last night that wherever the Democratic party has been long entrenched, in Washington, it cannot reshape its policies to serve the interests of the people as a whole.

Bricker, the Republican candidate for vice president in the last presidential election, spoke at a party rally in the Greensburg high school auditorium.

The former governor asked for a lifting of governmental controls. "Our boys are coming home," he said. "They did not fight to perpetuate bureaucracy. They should be welcomed back to jobs of their liking at good wages so they may enjoy comfortable happy lives."

"But industry cannot provide the jobs unless government spending and taxes are reduced. The proposed tax reduction is along the right road but it must go farther than that."

Conference To Outline Policy Is Suggested
Some of the gloom which pervaded the last days of the conference seemed to have been dispelled, and the foreign ministers themselves all expressed optimism for the future.

The breaking up of the conference on the Soviet demand for exclusion of France and China from discussion of Balkan peace treaties showed clearly how the views of the Soviet differed from those of the western Allies.

Federal Employees To Get Extra Holidays

Washington, Oct. 4.—(AP)—President Truman today ordered the closing of federal offices on Mondays after New Year's day, Washington's birthday, Memorial Day, Independence Day or Christmas whenever those holidays fall on Sundays.

All employees of executive departments, independent agencies and government owned or government controlled corporations who would ordinarily be excused from work on any of the holidays if they occurred on a week day will be freed from work on the following Monday.

Second Tilt Witnessed By Huge Throng
(From Page One)
Cubs took second on the throw in. Cavaretta rolled out to York unassisted at first. No runs, two hits, no errors, one left.

Tigers—Webb flied out to Lowrey in left field. Mayo also sent one out to Lowrey, who took it at about the 300-foot mark. Cramer rolled out, Johnson to Cavaretta. No runs, no hits, no errors, none left.

Third Inning
Cubs—Hughes bounced out, Mayo to York. Wyse fanned, swinging at Trucks' fast one. Hack rolled down into York at first base and was safe when the Tigers got mixed up and Trucks failing to cover the sack and take York's toss. It was ruled a single. Johnson fanned swinging. No runs, one hit, no errors, one left.

Tigers—Trucks got a big hand from the stands when he came to bat. On the first pitch he rolled out, Johnson to Cavaretta. Webb flied out to Nicholson in right field. Mayo rolled out, Johnson to Cavaretta. No runs, no hits, no errors.

Fourth Inning
Cubs—Lowrey was an easy out, Webb to York. Trucks was very fast and his curve was breaking sharply. Cavaretta worked him for the full count and then rapped a double into right centerfield. It should have been only a single, but Cullenbine and Cramer became confused on which was going to handle the ball. Parko sent a roller to short and was thrown out, Webb to York. Nicholson also singled sharply to right center.

Tigers—Cramer whacked a single to center, fast fielding by Parko depriving him of a double. Hack threw out Greenberg, Cramer reaching second on the play. It was not a sacrifice. Cullenbine drew a walk. York lined out to Parko in center, the runners holding their bases. Outlaw forced Cullenbine at second, Johnson to Hughes. No runs, one hit, no errors, two left.

Fifth Inning
Cubs—Trucks threw out Hughes at first. Wise rolled out, Webb to York. Hack rapped one out to centerfield and stretched it into a double. Johnson went out, Webb to York. No runs, one hit, no errors.

Names of Two Soldiers From County Are On Casualty List
(From Page One)
Young Johnson, who was serving as a radio runner on a B-24, was 23 years of age. He enlisted in the Air Corps shortly after the attack on Pearl Harbor, leaving early in January, 1942. Hospitalized for a minor injury, he missed being sent out with his original crew and had additional training with another before going overseas in June of this year.

He was a member of the United Brethren Sunday school in Church Honor Roll.

WPB Will Be Replaced By New Bureau
(From Page One)
It is expected to function as an arm of the Office of War Mobilization and Reconstruction. OWMR will continue to fix reconversion policy.

An order formally organizing CPA and abolishing WPB already has been approved by Reconstruction Director John W. Snyder. It was scheduled for announcement at Mr. Truman's news conference yesterday, but was held up for last minute minor changes.

CPA is slated to take over the few remaining industry controls on WPB's books when the agency folds.

The manufacture of poplin fabric is of French origin and was brought to England by the Huguenots.

Marie Tussaud, founder of the famous "Madame Tussauds" Exhibition of wax figures in London, modeled the heads of many of the prominent leaders and victims of the French Revolution.

70,000 Estimated to Be Off Jobs in the Keystone State

(From Page One)
tations ended last midnight, with no prospect of resumption today. Limited supplies of produce still were being received from nearby farms and distant shipping points. The strikers' ban on delivery of foodstuffs to cold storage houses was partially lifted.

Four thousand CIO Unionists remained out at the New Kensington area plants of Aluminum Company of America and another 2,500 workers were idle as a result. Picket rules were relaxed to permit supervisors and maintenance workers to enter the plants.

The public got one cheerful bit of news when it was told by the Bell Telephone Co. that the nationwide four-hour work stoppage scheduled for phone employees from 2 to 8 p. m. tomorrow would have little effect on service in Pennsylvania unless a "sympathy strike" developed.

Executive Request for Iron-Clad Control Over Atomic Energy Being Considered
(From Page One)
ions laer on the world aspects. Meanwhile, he said:

1. "The hope of civilization" lies in international arrangements to ban the use and development of the atomic bomb while encouraging the use of atomic energy for peaceful means.

2. He will start talks with Britain and Canada—then with other nations—about an agreement "under which cooperation might replace rivalry in the field of atomic power."

3. These discussions "will not be concerned with disclosures relating to the manufacturing processes leading to the production of the atomic bomb itself."

4. Congress will be told about the outcome of these discussions as soon as possible.

Senator Vandenberg (R-Mich.) said this left congress too far out of the international picture.

Senator McMahon (D-Conn.) said he doubted it was practical to try for an international agreement to stop the use and development of the atomic bomb. Mr. Truman said in his message that most scientists believe the essential theory of atomic energy is widely known and that foreigners can catch up with us in time.

To legislators, the president's point seemed to be that the three nations possessing the atomic secret could share with others the knowledge of how to use it for

New Property Buyers to Wait For 6 Months

New purchasers of property in Erie and Warren Counties who wish to evict tenants for the purpose of their own use and occupancy must expect a waiting period of six months time from the date they file their petition for certificate of eviction, it was announced today by Frank S. Anderson, Area Rent Director. The decision was taken after consultation with officials of the Pittsburgh OPA District and officials of the Regional Office.

Anderson finds as a result of a survey of both Erie and Warren Counties that the housing situation is more acute than at any time since rent control began in 1942. The very large number of sales in recent years of single homes and homes having two flats has very materially reduced the total supply of flats and single homes now being rented to tenants. As a result, tenants facing eviction are increasingly finding it more and more difficult to secure a new home in three months' time and in many instances have been forced to purchase property at highly inflated values. Anderson indicated that at such time as there is evidence of a more normal housing situation the waiting period will again be three months.

The Area Rent Office indicated that the six month waiting period will not apply to a purchaser who has served in the armed forces of the United States and requires possession of the accommodations for the adequate housing of himself and his family. The six months period will also be shortened in those cases in which it can be demonstrated that there are equivalent accommodations into which the tenant may move without substantial hardship or loss.

Anderson also called attention to a change in procedure in the eviction of tenants by landlords who wish to demolish the housing accommodation or who wish to do extensive remodeling or alteration as cannot practically be done with the tenant in occupancy. The new procedure requires the landlord to petition for a certificate of eviction and will give tenants an additional period in which they may find new homes. Anderson indicated that while the waiting period in this type of case may also be as much as six months, it was not the intention of the Area Rent Office to hold up unnecessarily any construction plans where no undue hardship was imposed on tenants.

The Area Rent Office also called attention to a new requirement that landlords who owned a dwelling prior to October 20, 1942 and who wish to move into it for their own use and occupancy must demonstrate an immediate compelling necessity to occupy such unit in order to make their notice to vacate a valid notice.

The period of time in which a new owner must file a Change of Identity of Landlord form with the Area Rent Office has been extended from ten to thirty days.

FACTS ABOUT FIRES

(By Fire Chief C. A. Albaugh)

Section 6 (a) (1) of the Regulation has also been amended so as to permit a landlord to demand that the tenant execute a removal lease for one year if the expiring lease was for a period in excess of three months and was not season in character. The new amendment will permit landlords to require new one year leases which will expire on the recognized leasing date during the off season to expire on such recognized leasing date.

Nearly 52,000,000 toothbrushes were shipped from United States factories during the first quarter of 1945.

The inhabitants of Sumerian Uruk as early as 3500 B. C. used drinking tubes three to four feet long to sip beverages from jars.

The week marking the anniversary of the great Chicago fire is the time chosen as fire prevention week, not as a 7-day period that just happens this time of year, and forgotten the next week, but to keep in mind, Fire Prevention throughout the year. We are trying to make America a safer place to live and to work. Fire Prevention Week falls in early October, about the time when we are thinking of putting the bridle on the old iron horse asleep in the basement, and starting him to work. We have had our activities cut down during the hot months, so there is a definite

need for awakening interest in Fire Prevention Week, and Public Safety immediately after the slack period. We are trying to modernize Fire Fighting, by using Fire Prevention methods, that is get rid of that, that causes fire. Fight fire with fire. Fight fire before it becomes a reality, don't be an "I guess its all right", I guess it will be safe, or that collection has been dumped there a long time. Fire Prevention Week falls in early October, about the time when we are thinking of putting the bridle on the old iron horse asleep in the basement, and starting him to work. We have had our activities cut down during the hot months, so there is a definite

Fire Prevention has earned a respected place, where every organization, every individual should cooperate with the Fire Department and make this campaign a real success. You have a large stake in Fire Prevention Week. You know that property burned by fire, is gone forever and our town is that much poorer in resources. Fire increases taxes, fire increases rents, fire creates shortages that raise prices, so we are all losers by this demon.

America was spared the destruction and blitz of those war years, yet in the last alone, fire destroyed more property than in the United States twelve months in the United States twenty than was ruined in England

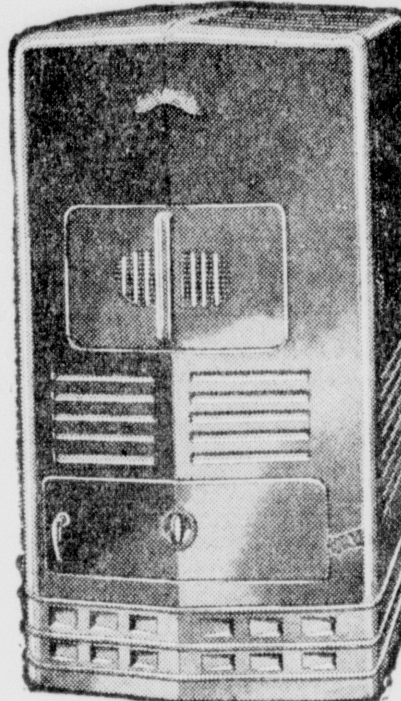

NEED HEAT THIS WINTER?

Today, more than ever before, you get more for your money in a genuine...

ESTATE HEATROLA

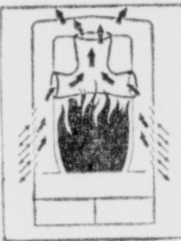

CABINET HEATER for COAL, COKE, WOOD

Why be satisfied with less than Estate Heatrola quality and Estate Heatrola performance? If you have several rooms or a whole house to heat, why be satisfied with a heater designed to heat only one or two rooms? Why put up with the discomfort of an ordinary radiant stove that boils your face while your back freezes — when you can enjoy the health and comfort of circulating warm air in a modern, handsome, porcelain-enameled cabinet heater?

Only the ESTATE HEATROLA has all these features

- Fuel-Saving Intense-Fire Air Duct
- Jointless ash box and paper-light ash-box door... for perfect fire control. You can hold fire for 50 hours on one charge of fuel.
- Closed base and slanting louvers to assure warm floors, freedom from drafts.

More heat from less coal

Only the genuine ESTATE HEATROLA has the famous Intense-Fire Air Duct that traps heat... turns waste into warmth.

METZGER-WRIGHT®

during the first two years of the German blitz. Ninety-eight per cent of all fires are due to carelessness, negligence, in other words, some one is at fault.

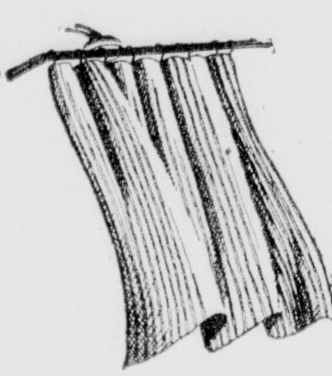

Are you ignorant of that which causes fire, of what to do, or what not to do, hazards we have we should have. For instance, what you should not have: A pile of collections that a fireman calls rubbish, that a good place for a cigarette butt, spark or a match; a furnace pipe eaten through, or to close to the floor joists, ashes in wooden or paper boxes; a furnace that all filled up with last winter's collections; a chimney that has not been cleaned this season and checked for defects; repairs should be made promptly. Make sure that no wood work is exposed to heat, or any other combustible material.

Keep paint and varnish cans sealed tight, paint rags and oily rags like rubbish, may ignite spontaneously, burn them if practical; or dispose of them in the garbage.

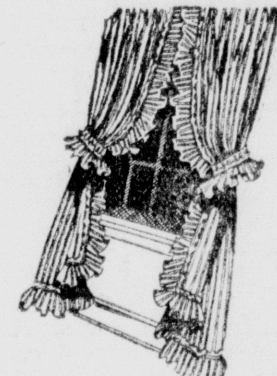

And here are a few things what to do. Keep ashes in covered metal screens. Replace weather worn screens. Replace weather worn shingles, that is wood shingle roofs, with fire-resistant roofing. So that there are plenty of ash trays where smoking is permitted and each one are careful of their smoking habits. Put matches in metal containers, out of the reach of children. Use a flash light instead of a match. Use great care with any inflammable liquid brought in the home for any purpose. Do not use any cleaning fluids. A correctly built fire needs no kerosene. Ask any boy scout. Replace all worn out electrical

Matching Candy Stripes for Boudoir and Bath

The saddest thing you ever saw Is a car that will not thaw!

GET DU PONT ANTI-FREEZE NOW

Chances are it will be hard to replace a radiator that freezes up this winter. Engine parts are scarce! That's why the wise car-owner gets his anti-freeze long before winter arrives.

\$1.40 a gal. War Emergency "Zerone" gives thorough protection against rust and corrosion as well as freezing. Until regular "Zerone" returns (this season's production went to war), there's no better buy at the price. Remember, it's made by Du Pont.

\$2.65 a gal. A limited supply of "Zerex," Du Pont's non-evaporating anti-freeze, is now available. "Zerex" won't boil out. One filling lasts all winter. Gives complete protection against rust and corrosion—won't form sludge or clog radiators.

BETTER THINGS FOR BETTER LIVING... THROUGH CHEMISTRY

The Curious Clue

RUFUS HEED

Chapter 22

SETH met Luke Hale near his office just as he was coming through the hotel after a late dinner with Wallis that evening. "I haven't seen you for days!" the manager exclaimed. "If you'll go in to my office, I'll join you for a nightcap. We'll have a Napoleon Brandy. Be with you in a few minutes."

"Fine," Seth returned heartily. Seth heard voices outside the office door. Luke Hale was angry. The other voice—Ramon's. Seth decided at once—was certainly placating.

The manager hurried in and swung impatiently around his desk while Ramon sauntered behind him and draped himself gracefully over a corner of it. Seth had to admit the fellow had a style all his own.

"Hi, Peabody," He greeted Seth casually. "I hear you and Gardner have been dating up the doctors around here today. Kind of late for that sort of thing, isn't it?" Looking the door after the boss is stolen.

"Never mind now," Hale cut in abruptly. "I'm talking about you—not Potter."

"Maybe I better go," Seth half rose from his chair. "No, stay right where you are," the manager answered irritably. "This won't take long." He turned to the dancer. "Tell me why you didn't see that orchestra leader in Miami this morning. I gave you the gas to get there and you come back with a verbal agreement—nothing signed. It won't do, I tell you, Delgado. Already Troop says you didn't offer him enough and the deal's off."

"I didn't have time to see him. He'll come through all right. Don't get excited. He's just trying to get more money."

"Well, why in God's name didn't you sign him up when you had the chance and stop all this nonsense."

"But Cobo called me to take over the Potter case—I flew back."

"I know all about that, too. You've made many night trips to Miami before this. You had plenty of time for some rest and an early breakfast. Troop's sore as a bull because he waited three hours for you and you didn't show. You never left Miami until after 12 o'clock this morning. What'd you do all morning?"

"Dios Mio! Troop's crazy! I had a puncture. I called and told him. He said everything was okay and he'd be over tomorrow night with his orchestra. Calm down, Boss. There's nothing to raise your blood pressure over."

"Where'd you have a puncture?" Seth caught a note of mounting curiosity in Hale's voice.

"On Snipe Key. Why?—Everybody has 'em these days. What's funny about that?" "Nothing. Skip it. Troop's giving you the full brush off that's all, and unless you fix it up right away, I'll hold you responsible for the entertainment at this hotel until the end of the season. Think that one over. Goodnight."

As he slid off the desk, Seth saw the dancer's face. He looked worried.

"Okay, Boss." But he was no longer nonchalant, or casual. "I'll have the orchestra out here as scheduled by tomorrow night. I'm sorry Troop's made all this trouble. Be seeing you."

I LUKE HALE rang for a waiter and gave him an order for two snifters to be brought to the office. Then he went to a locked cabinet where he took out a bottle which he brought back and placed with care on the desk in front of Seth.

"Looks like the real McCoy, doesn't it?" He peered down at the bottle, then handed it to Seth. He read its spotted and discolored label carefully.

"I'll say it does! But you don't want to open this tonight," Seth exclaimed. "This should celebrate some special occasion."

"I want that brandy now—I need it," Luke Hale's voice sounded exasperated. "Everything's gone wrong around here this weekend. Two murders, all these police investigations, and now Delgado gums up arrangements for the only orchestra available in Southern Florida. He may be fired over this. Because I can't stand lying, and he was lying like a horse thief just now."

"He lied about that puncture. I telephoned the garage where he put the car this afternoon, thinking he might have had car trouble, and they called me back and reported that nothing at all was wrong with the old jalopy. I asked especially about the tires. No, he was probably off seeing one of his numerous girl friends, thinking he had all the time in the world for Troop. Then he gets this unexpected call from Cobo and tries to do his business with Troop on the telephone before he leaves Miami. It won't work—that's all!"

Seth raised his glass and smiled at his host. "Sorry Old Man. We'll all seem to have our troubles."

Hale nodded. "Only there's too damned much of it around here to suit me!" Seth decided to retire early that evening. As he walked to his room a little later, he hoped a good sleep would help the heavy depression that was settling down upon him. As he opened the door of his room a sharp, penetrating fear made him hesitate. He had an instant conviction something was wrong.

Then he knew some one was crouching behind the door. He whirled instinctively, to ward off the intruder. In that instant something hit his head with terrific force and roaring blackness filled the world with sudden pain, wiping out all consciousness.

(To be continued)

cords, have defective electrical equipment replaced, check the fuse box. Too many people, a fuse is something you put in a fuse box to make light, or turn a washing machine, any old fuse will do; in my way of thinking it will not do. If your house requires over a 10; Amp, or 15; Amp, it should be wired in series.

There is no sound reason why this country of ours can't cut down our fire loss fifty per cent. We can, if you and you, and everybody, will be fifty per cent more careful. Of the 400,000 home fires we had last year, 7,000 people burned to death, and 15,000 were injured; because some one in these homes were careless or indifferent. Fire Prevention. We should never let those two words escape our minds.

Prevent that which causes fire, and you can rest assured that you are safe. Of the 400,000 home fires we had last year, the majority of them were attributed to the hazards I mentioned above (Of what you should have, and what to do) I am expecting during this Fire Prevention Week, that each and every home and business place will take note of their surroundings, and remove or repair and dispose of that, which causes fire.

C. A. Albaugh, Fire Chief.

Upkeep and improvement of Alaskan highways to a cost of \$5-200,000 annually has been granted to the Alaskan road commissioner.

Mosquitoes could be worse. Only adults bite, and then it's only certain species, and of these species it's only the females.

Ladybugs are beetles.

Bossy's De-Icer

No matter how cold the weather may get, Bossy can be assured a warm drink of water with General Electric's "stock-tank de-icer," demonstrated above. Resembling an oversize pancake, the electric de-icer floats, keeps water from freezing, raises temperature only slightly above freezing and costs only about six cents per day to operate, says manufacturer.

Everybody reads the Times-Mirror.
